

Coquille Unit Red Cross Notes

Coquille Red Cross will meet Friday, June 16, at Guild Hall from 1:30 to 4:30 p. m. Present quotas consist of baby "nighties" for service men, wives; army kit bags and "housewives" and hospital scruff slippers. Afghan laprobes and wash cloths will continue at the general work tables.

Information has just been received from Mrs. L. McGeorge, chairman of production of Coos county chapter, Marshfield, that olive drab yarn has just showed up and that Coquille's supply will be sent within a week. Navy yarn is due to arrive very soon.

Mrs. McGeorge writes: "Pacific Area office has arranged to send us a large allotment of yarn because our chapter, as a whole, turns out a very fine quality of knitting." Outstanding knitting is requested completed and brought in as soon as possible before our new quota is begun.

The following are thanked for donations of wool material, yarn, wash cloths, etc.: Mesdames Geo. Johnson, L. Hartig, A. C. Schroeder and John Bullack. Although it is to be regretted that Mrs. William Barrow's evening Red Cross group has disbanded, Mrs. Barrow will sew with the Friday sewing group.

Both Fairview and McKinley Red Cross groups continue to carry on and are doing a fine job under the supervision of Mesdames O. C. Enlund and Hilda Brown.

Discussion concerning a Red Cross float entry in the coming 4th of July parade will be continued. Mr. Geo. Burr has generously consented to allow the Unit the use of one of his trucks.

Now that surgical dressing supplies are very low and all classes are not being continued for the present, an invitation is being extended those workers to attend the Friday afternoon meetings to help us sew, knit and crochet, says Mrs. D. B. Kesner, chairman of production.

Heavy black thread, No. 8, 10 and 12, especially is needed, also bright colored and light wool material and colored yarn.

Again to quote from Mrs. McGeorge's letter: "As the invasion progresses and the news from all the battlefronts comes in, we know that Coos county women have the ceaseless job of helping to keep the supplies flowing to the military hospitals. Thank you for helping me to keep our county work going so well in this great and necessary task."

Playground Notes

On Tuesday of this week the choquet tournament was held at the park. The winners were Loren Stewart and Mollie Wersh.

This Friday the circus will be held at two o'clock in the afternoon. Kay Simmons is going to do some acrobatic tricks on the bar, which will be a special attraction. Everyone who has a pet may bring it to the circus. Prizes will be awarded for the pet with the most original name.

The model airplane show will be held on Wednesday, June 21. These models can be any type of plane and a prize will be given for the largest, smallest, and best-made planes.

Softball teams are being organized by the captains, Roger Williamson and Preston Willis. More older boys and girls are needed to play on these teams. There will be several games played on the Lincoln school ground.

Remember, all children of school age are invited to come to the park for a good time. It is open from 9 to 5 every day except Saturday and Sunday.

Geo. Chaney, Jr., An O. S. C. Graduate This Month

George H. Chaney, Jr., is the Coquille representative in the 75th annual graduation exercises at Oregon State College on June 17, when the 1944 senior class receive their diplomas. Both the baccalaureate service at four o'clock and the commencement at eight o'clock will be broadcast over KOAC.

Total number of graduates for the year is 398 compared with 607 a year ago. The reduction is caused by war conditions which have reduced the male portion of the student body to 291, mostly freshmen below draft age.

Bob McCarthy Will Have Eight Days At Home

Robert McCarthy, son of Mr. and Mrs. M. McCarthy who has been in training at the Lincoln Army Air Field in Nebraska, came home Monday on a 15-day furlough, which means he can spend eight days in Coquille. His next assignment will be to a camp in the mid-west where he will attend a B-29 Bomber School.

Mrs. McCarthy also this week received a letter from her son, Edward, who is in England.
