Coquille Soroptimists Honored By Coos Bay Group

In observation of the first anniversary of the local Soroptimists' Club, Coos Bay Soroptimists, sponsor group for Coquille, entertained for them Tuesday at a seven o'clock dinner at the Chandler Hotel, Marshfield. Fifteen from here attended the affair, which was formal and altogether delightful, according to reports.
 Address of welcome was delivered by Agnes Duncan, president of the Coos Bay Chapter. Florence Barton, charter president here, responded enthusiastically. Group singing was followed by discussions of the ideals of Soroptimism, given by the following Marshfield members: Lucretia Skeewis, Helen Johnson, Blanche Bergen, Irene Lundell and Mary Garden.
 Vocal solos were contributed by Genevieve Arrington, accompanied by Arlene Athey. A play, "Junior Miss," was read by Mrs. Riedar Bugge.
 Violin selections by Audrey Assen, former Coquille girl, were received with special enthusiasm. Two of her first teachers from Coquille were present, Mrs. M. O. Hawkins and Muriel Dae Ardath. Miss Assen has just returned from California.

Visited Injured Son In Oakland

Mrs. Sam Sturgeon, of this city, writes the Sentinel as follows upon their return from visiting their son in a hospital in Oakland:

We have recently returned from a visit with our son, Marvin, at Oak Knoll Naval Hospital, Oakland, Calif. He was severely wounded last November, somewhere in the South Pacific. Although his injuries were far more serious than we had heretofore been told, we found Marvin cheerful and happy. He is to remain several months yet at the Naval Hospital for treatment of a badly burned right hand. It is hoped these massage treatments will bring back the use of his hand but, even though he may still lose the hand, we are very thankful he has recovered so nicely, considering the extent of injuries he suffered, both internal and external. He has a good appetite now and is gaining weight.

We received word on Monday this week from Marvin and his very recent bride that they had been married June 11. We had the pleasure of meeting our future daughter-in-law, while we were in Oakland. We found her to be a most lovable girl, a good cook and quite an expert seamstress, making most of her own clothes. She was formerly Miss Doris Asay, of San Bruno, Calif. Details of the wedding have not yet been learned, except that it was a church wedding, with members of the bride's family attending.

We were unable to remain down there for the wedding, due to the necessity of getting back on the job. We were away eleven days.

Going down with us to see their brother were James Sturgeon, of Coquille, and Mrs. Garland Rock, of Bandon.

Mr. and Mrs. Clifford Kern entertained them at their beach cottage at Bandon Thursday evening.

Harvey Cole Married Last Month In Bayonne, N. J.

Mrs. Geo. Adams received this week a picture of her son, Harvey Cole, and his bride of Bayonne, N. J. The marriage took place at the bride's home at Bayonne on May 13. She was the sweetheart he left behind when he was sent overseas, which proved to be on the African Invasion. There he was badly burned a year ago, June 28, in a gasoline explosion, which occurred while he was on a rest period after the siege. He has now recovered from the experience and is stationed at Fort Bennis, Mass. He met the girl he married while doing guard duty in her home town for nine months before he was sent overseas.

Home on furlough has been Corporal Phillip Reed, visiting his wife, Betty Reed, and other relatives and friends. Reed is stationed at Syracuse, New York, and is in the transport command. Due to the rain this week, activities at the park have been somewhat curtailed. However, the model airplane show was held Wednesday with prizes for the best airplanes. These prizes went to Jack Sisk and Duane Steward.

A reading contest has been started, which will continue all summer. The purpose of this is to help the younger children with the use of the library and to help them develop an interest in reading books. A record is to be kept by each person of the title and author of every book read and at the end of the playground season there will be a prize given, based on the number and type of books read.

Tuesday of next week, the first softball game will be played on the Lincoln school grounds. Still more players are needed for the teams. Anyone who wishes to play may sign up at the park.—Harriet Tozier.

1944 is more than an election year. It is a year of decision for the American people; the year when they will decide whether to return to the American concept of government or go the whole way to collectivism.
