Mr. and Mrs. Jas. A. Fitzpatrick drove down from Newport Saturday to attend the celebration. Jim says that business has kept himself and Mrs. Fitzpatrick and the one girl they employ in their cleaning establishment there very busy all year.

Mr. and Mrs. Tom Ferry came in Monday from Farragut, Idaho, where Tom is stationed. They are visiting her father, H. C. Getz, and other relatives here. Mrs. Ferry was the former Donna Getz.

Mr. and Mrs. Robert P. Zentner, of San Francisco, are visiting his parents, Mr. and Mrs. Otto Zentner of this city, during part of his vacation from his duties as pilot of Pan-American Airways.

To the People of this Community

The next time you write to your fighting man or fighting woman, tell him or her what you have done about the Fifth War Loan. You can take the word of General Eisenhower that your man or woman in uniform will be deeply interested.

Your War Bond buying is a good tip-off to them about the state of affairs in your home. The headlines in this newspaper on the progress of the drive, the items about participating individuals, the character of the Fifth War Loan special events—all these things reflect the morale back home.

Do you like to read a sorry headline about the invasion fronts? Our fighting forces, made up of individuals with the same reactions to good and bad as you, will not be heartened to read "Fifth War Loan Lags."

Your silence in your letter about your part in the Fifth War Loan will mean non-interest, perhaps non-participation to the recipients. It's up to you to make your letters cheerful. Write today. Write often. Write about your war work, your war support. Double your best and then about it to the house tops—just to that special service man.
