

C. Schaper Buried Here Monday Afternoon

Christian Schaper was born March 18, 1858, in Brownswald, Germany. He came to America in May, 1893, and passed away at his home in Cottage Grove, Thursday evening, July 6, at the age of 86 years.

He was married to Louise Wehnert March 21, 1896.

Of the seven children born to this union three survive—a son, Ernest Schaper, of Cottage Grove, and two daughters, Mrs. William Watson, of Myrtle Point, Mrs. Rose Fox, of San Francisco, and seven grandchildren.

Funeral services were held Monday afternoon at 2:00 o'clock at the Schroeder Funeral Chapel in Myrtle Point with Rev. J. R. Wiley in charge. Interment was in the Masonic cemetery at Coquille.

Mr. Schaper was a member of the Woodman Lodge for the past 50 years.

Openings For 17-Year-Olds In U. S. Coast Guard Now

Openings for steward's mates have been approved for the United States Coast Guard in the 17-year-old age bracket, an announcement from personnel procurement officials of the Thirteenth Naval District Coast Guard organization today reported.

Besides regular duties, steward's mates are assigned battle stations aboard ship during general quarters or fire, collision, and other emergency drills.

Enlisted men will be trained in this rating at Curtis Bay, Maryland, site of a large Coast Guard training base, and then assigned to duty immediately. Young men are urged to contact Coast Guard procurement officials at Coast Guard headquarters in Seattle, 319 Alaska Building, Second and Cherry.

Farm Security Aid For Returning Veterans

General eligibility requirements on the part of returning world war II veterans who wish Farm Security aid in re-establishing themselves on the farm, have been outlined by the County FSA Committee, reports E. W. Hughes, County FSA Supervisor, Bank building, Coquille.

Loans up to \$2,500 for livestock, machinery, group services, building repair, cash rent, feed, seed, water facilities and other operating goods can be made to returning veterans who:

1. Have background of farming on their own or farm experience.
2. Have secure tenure on good family-size farm through rent, lease purchase contract or ownership.
3. Are unable to secure adequate credit from local banks, PCA or similar agencies.

"The county committee which reviews and passes on applications will give special consideration to each veteran's application, but under present FSA authorities cannot give preference," said Hughes. "Loans are accompanied by management assistance where needed, bear five per cent interest and are generally repayable over a five-year period. The average loan is around \$1,000 but can be higher where the farm and the veteran's experience justify it."

Present assistance in farm purchase under the Bankhead-Jones tenant act and provisions of the G. I. bill of rights will be announced as soon as details of administration are determined. Meanwhile every effort is being made by FSA to work closely with the county veterans' committee and interested groups in giving every possible aid.

Gems of Thought

FALSE PRIDE
I have been more and more convinced, the more I think of it, that in general, pride is at the bottom of all great mistakes.—Ruskin.

A man should never be ashamed to own he has been in the wrong, which is but saying in other words that he is wiser today than he was yesterday.—Pope.

Vanity is the mother, and affection is the darling daughter; vanity is the sin, and affection is the punishment; the first may called the root of self-love, the other the fruit.—Lord Halifax.

The pride of circumstance or power is the prince of this world that has nothing in Christ. All power and happiness are spiritual, and proceed from goodness.—Mary Baker Eddy.

What doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?—Micah 6:8.
