The proudest title in the Army

IT CONSISTS of two simple words.

Yet every soldier who's worth his salt covets it.

This title is simply: "Good Soldier."

It isn't just happenstance that so many women in the WAC have earned this title—the proudest in the Army.

For wherever Wacs are working, both here and overseas, there you find a job well done. And done with a spirit so gallant and fine that high Army officers everywhere say of the WAC... "They're soldiers. Good soldiers!"

Good soldiers... the WAC WOMEN'S ARMY CORPS

Making strategy maps for combat

Checking pilots to and from war zones
