### Fair At Myrtle Point Opens Next Week

The annual Coos & Curry Fair will open on Saturday next week for its three-day showing, Sept. 2-3-4, and Secretary Perry C. Roper reports that rodeo stock and riders who have just completed their showing at Jantzen Beach, will be there next week-end.

The Browning Amusement Co. will be on hand as usual with all its carnival attractions — merry-go-rounds and other riding equipment — and the fair will have just as many attractions as previously.

A movement was started last week by the M. P. service clubs to get all places of business appropriately decorated by the opening date.

Mr. Roper is urging that all race horse men, who wish stalls for the three-day event, to make their applications at once as stall room is limited.

The annual fair at Myrtle Point is always well attended and this year will be no exception except as the limited supply of gas may keep some from attending. Everyone who does go, however, will find it just as interesting and enjoyable as it ever has been.
