

### Indian Program At Missionary Meeting

A very interesting luncheon meeting was held last Thursday afternoon in the basement of the Church of Christ, sponsored by the Missionary Society, under the leadership of its president, Mrs. Arthur Towne.

A program round the tables included a vocal solo by Florence Hallock in full Indian costume, with her long hair braided and an Indian head-dress. She sang "Pale Moon," accompanied by Mrs. Mary Hatcher at the piano. Martha Mulkey gave an inspirational talk on Indian contributions to our life. Mrs. McMitchell told of early pioneering in the church at Cave Junction, Ore., and how a few people banded together to hold services, first in a school house and in various buildings, until a church was definitely established.

In the afternoon, the regular business meeting and mission study were enjoyed. The topic, "The Indian American," was further enlarged by Myrtle Kelley, who gave many highlights on what the Indian has contributed to our country. In promoting better understanding of this race, she emphasized the life of Sacajawea and her contribution to Oregon

history. There were many great men mentioned, as well as art in pottery, great Indian painters and sculptors, and many words in our vocabulary, which came as a surprise to many, who were not aware of their origin. Indian foods, were discussed, and there was also a surprising variety of those.

Mrs. Pearl Cardwell led the devotional exercises.

About twenty-five ladies enjoyed this meeting, and many expressed their pleasure at the fine display of Indian relics about the rooms, contributed by many local residents. Among them was a huge rock with a rock pestle, used to grind corn, many beautiful beaded baskets, moccasins, and finely tooled leather work.

### W.C.T.U. Hears Liquor Facts

W. C. T. U. met at the home of Mrs. James Richmond last week with a regular business session, and program. The program consisted of up-to-the-minute poems and special musical numbers by the children. Those taking part were Joan Savage, piano; Coleene Chowning, Thelma Bestal, Joan Pearl, Ruth Kenney, Kay Simmons, Bonnie Stormer.

The following facts were given from The American Business Men's Research Foundation: The grain used for distilled liquor and beer for drinking, in the year 1943, would feed 2,303,000 soldiers for a whole year. During this month of whiskey "holiday" there will probably be used 500,000,000 pounds of grain. During the year 1943 there were used for alcoholic drinks 800,000 tons of sugar. The government gave the American Can Co. the right to make (from good, much-needed tin) 800 cans per minute for beer.

The hostess served refreshments to the following: Esta Ellis, Minnie Laws, Bessie Cooper, Zoe Fugelson, Alice Holverstott, Lundy Pearl, Pearl Cardwell, Birdie Skeels, Marie Persing, Ione Billings, Nellie Purvance. Guests were: Marie Cooper, Mrs. Berry and Dennie Billings.

### Those To Whom Dues May Be Paid

A. H. Bender, president of the Coos-Curry Pioneer Historical Association, instructed the secretary to notify members through the press that all who joined last year and have not paid annual dues of 50c for this year should pay directly to the secretary or to the membership chairman of their community and be receipted for same.

An enrollment of 400 members within one year after adopting the constitution and by-laws of the Association is most gratifying. The membership fee of one dollar and the annual dues of 50c each seems a small sum in itself, but collectively is enough to maintain the expenses of the Association with some extra that may be used to develop something worth while in the near future, such as a Pioneer Historical Museum.

The membership chairman appointed by the president are as follows:

- Bandon—Maryette Morse.
- Coquille—S. M. Noster.
- Eastside—John Merchant.
- Empire—Daisy W. Codding.
- Gold Beach—Collier H. Buffington.
- Langlois—Al Sweet.
- Marshfield—J. Albert Matson.
- Myrtle Joint—Henry A. Schroeder.
- North Bend—Elmer Russell.
- North Bayside—Emil Peterson.
- Powers—Ella Lalngron.
- Port Orford—Mrs. Fred Jamieson.
