When Your Back Hurts—And Your Strength and Energy is Below Par It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

DOAN'S PILLS You may suffer aching backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and uneasy urination with smarting and burning is another sign that something is wrong with the kidneys or bladder. There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something new favored by a few. Doan's have been tried and tested many years. Are they still drug store "hot dogs" today?
