### Report On The Summer Playground

This summer the Coquille Park Commission again sponsored the supervised playground in the Myrtle Grove park.

Games played were: croquet, ping pong, softball, football, basketball, horseshoes and other group games.

Croquet tournament winners were: Mollie Wersh and Loren Steward.

Badminton champion, Jim Clark. Doll Day winners: Diana Schroeder, Marcia Mauney, Carla Schroeder, Geraldine Smith, Nancy Perrott.

There was a circus on one Friday afternoon with all sorts of costumes on cats and dogs. Prizes were awarded to: Betty Clark with her Shetland pony, Kay Simmons for her acrobatic tricks, and Donny Taylor for his trick dog.

Model airplane show winners were Jack Sisk and Duane Steward.

Book contest: Marcia Mauney, winner. Prize given for having read the most books during the summer.

The City Fire Department gave the two wooden tanks, which were used in the Fourth of July parade, to

the children to play with. Some great military strategy was used in battles which were carried on. Toward the end of the summer there was nothing left of either tank but a few scraps of plywood. We wish to thank the Fire Department for letting the children have the tanks to play with.

Average daily attendance for the whole summer was about fifty children, ranging in ages from six to 15.

On the last day of the Playground there was a treasure hunt with the winners being Jack Sisk, Duane Steward and Duane Simmons.
