

### McCarthy Boys Meet In France

Mrs. M. McCarthy this week received letters from her two sons in France—Jack and Edward—telling about their meeting over there after not having seen one another since July, 1942. Jack learned that Edward was stationed only 70 miles from where he was and looked him up as soon as he could. They said they liked France, which resembles Oregon to quite a degree, and enjoyed meeting the French.

Their brother, Robert, who received his gunner's wings in June, is now taking additional training on the B-29 Forts at the base at Pratt, Kans.

### Ensign Louis L. Felsheim A Coquille Visitor Thursday

In company with his father, Judge L. D. Felsheim, Ensign Lewis L. Felsheim of Bandon was a Coquille visitor last Thursday. He is an officer in the amphibious forces, is through his training and was granted a ten-day leave to come home because the vessel to which he had been assigned was not quite ready to go to sea. Ensign Felsheim had been in training at Coronado, Calif.

### Linus Seely Has Seen Plenty Of Action

The Bandon Western World said that in a recent letter to Mr. and Mrs. John Holman of Bandon, 1st Lieut. Linus "Bill" Seely, former Bandon athletic coach, reports that he is getting war weary. Lt. Seely has had great responsibility. As an officer in the Second Marines he was in command of his company at Saipan and Tinian, the former being the toughest engagement of the island theatre.

Mr. and Mrs. E. E. Knife received word yesterday that their son, Arlie, who is well known in the valley, was to leave San Francisco on overseas service that day.

### Maury F. Williams Home On A Ten-Day Furlough

Maury P. Williams, son of Mrs. Jennie Williams, arrived home last Saturday evening on a ten-day furlough from the Army Air Transport base at San Rafael, north of San Francisco. Maury has been instructor in the Ground School of the Air Transport service, teaching successive classes along the line of plane traffic, etc. He says the work is very interesting and he hopes to be able to continue in that line after the war, in commercial aviation. It is probable that the class which will be at the base when he returns will be the last one on the Pacific coast. Whether he will be sent east or overseas after that he does not know.

He is looking fit and well and as if the Army life and its rigors agreed with him.

### Sgt. Ralph Willson Says England Looks Like Oregon

Mr. and Mrs. A. F. Willson received a letter from their son, Sgt. Ralph Willson, who is now in England, saying that it was a very pretty country, something like Oregon, and that he is feeling fine. He hopes to see his brother, Corp. Ray Willson, who is in France, soon.

### In Justice Fred Bull's Office The Past Week

James Fred Moulton, who pleaded guilty last week to driving while under the influence of liquor, was sentenced by Justice Bull on Sept. 6, to 60 days in jail, with fine and costs amounting to \$104. He paid the \$104 and the jail sentence was suspended. With him was James Edward Fry, who paid a fine of \$11 and \$4 costs the same evening for "being drunk on a public highway."

Fred Richard Schlegel, taken before the J. P. last Friday for taking and using an automobile without authority, waived preliminary hearing and was taken to the county jail to await the next session of Circuit court.

On Monday this week Russell Tillman Cuocoy was summoned to appear before Justice Bull for passing a car without sufficient clearance ahead.

### Forger Bail Set At \$2000

### Coquille F. O. E. Lodge Notes

The Coquille Aerie of Fraternal Order of Eagles held a banquet at the Coquille Hotel Coffee Shop last Saturday evening. Every Eagle, who proposed the name of a candidate for membership in the Eagles during the past six weeks and whose candidate had been initiated, was invited. Also invited were all of the new members who had been accepted and initiated during the same period of time. Everyone attending reports a fine banquet and a good time.

At the banquet, Secretary F. R. Bull made the members the proposition that he would personally furnish a banquet on the same basis, at the end of the month of September.

The class to be initiated on September 29 will be in honor of the Aerie Secretary.

President Evan Alborn and Secretary F. R. Bull of the local Eagles Aerie attended a state officers and committeemen's meeting in Eugene the first of the week. Mr. Bull has been named chairman of the State Eagles Judiciary committee and Mr. Alborn is a member of the Return Soldiers' Benefits committee and also on the Good of the Order committee.

Mr. Alborn reports that the State Aerie, as well as the Grand Aerie,

is placing particular emphasis on child welfare, securing jobs, and benefits for returning service men, (whether they are Eagles or not), and on giving every possible effort in helping to win the war.

He further stated that changes in

the organization's constitution have been proposed and accepted, which place more stringent restrictions on who may join the Order.

The building fund is growing continually and the members of the building committee are very optimis-

tic about the outlook. They report that approximately \$5000.00 of the proposed \$30,000.00 has already been raised.

If it is insurance, see me.—F. R. Bull.
