PREVENT PROHIBITION DEFEAT THIS 'BURKE BILL' WITH ITS DANGEROUS 'JOKER'!

Don't take anyone's word for it! Read the bill itself! See how the insertion of one word—the word "GIVE" in both the title and body of this bill affects your very freedom. Will you be able to serve your guests either at your social club, or in your home under this bill? NO! Do you want this dangerous type of prohibition? NO!

THE OLD JUDGE SAYS...

"We can't argue with the Judge on that point, can we? It's not fair to penalize the many for the actions of the few." "That, folks, is exactly what we would be doing in this country if we ever voted for prohibition again. Authorities who have made a careful study of the problem, report that only about 5% of those who drink abuse the privilege occasionally... 95% drink sensibly. Probably doesn't compare with the number of folks who overeat and do other things to excess. Prohibition certainly

isn't the answer. It's not that simple. We had nearly 14 years proof of that, didn't we? "The real answer is education and better control. In fact, the responsible members of the distilling industry are working constantly toward that end. They don't want anybody to abuse the use of their product any more than the three of us do." "If everybody would take that sensible attitude, Judge, and cooperate as more and more are now doing, we'd be a lot better off a lot quicker."
