From where I sit... by Joe Marsh

Cracker-barrel versus Dog House

Most of the political conventions in our town are held around the cracker-barrel—in Sam Abernethy's store.

We were settling how the country should be run the other night when Homer Watson starts to put in a word.

"Wait a minute, Homer," Sam said sharply, "did you vote in the last election?"

"Well," Homer fumbled, "I was awful busy just at the time."

"That don't matter," Sam insists. "Free speech around this

cracker-barrel is for them who help protect it—and all the other freedoms in America. My folks that just talk freedom don't count here."

From where I sit, it doesn't make any difference how you vote—the important thing is that you do vote. Call it a sacred right if you want to, but to me, it is the bedrock of the whole idea of democracy.

DEMOCRATIC CANDIDATE

For
JOINT REPRESENTATIVE

Vote (X) 30

He Favors:

1. Adequate social security program for senior citizens, the sick, disabled, and unemployed.
2. A sound tax program based on ability to pay. No sales tax in any form.
3. Development of mineral and forest resources. Benefits of Bonneville power for every farm in the State.
4. Improvement of Industrial Accident and Unemployment Compensation laws.
5. An all-Oregon postwar highway from Curry County east to connect with inland route.
6. Jobs for everyone who wants to work at wages in keeping with an American standard of living.
7. Prompt and efficient service to returning servicemen in their adjustment to civilian life.

He is not a professional politician. He believes that the best interest of the people of his district will be served by supporting President Roosevelt in winning the war and by supporting a liberal administration at all times.

NOT WANTED IN OREGON!

PROHIBITION AND ITS COMPANION EVILS

1. Is it fair to the Service Men while they are away? Approximately 100,000 service men and women from Oregon cannot vote on this question. Is it fair to permit prohibition to be slipped over again in 1944 as was done in 1918? You can protect them by voting 313 X NO!
2. If they get away with this, will all beverages be next? So far this "Burke Bill" pertains only to beverages over 14% alcohol by volume. But if they slip over this much—the light beverages will be NEXT! You can protect yourself by voting 313 X NO.
3. What will this "Joker" do right now? It will prohibit you from serving any guests your usual hospitality beverages in your club or at home—unless you want to risk severe penalties. Look out for this dangerous "JOKER".

READ "THE JOKER" IN THE "BURKE BILL" PURPOSE FOR YOURSELF

"Purpose: Requiring all intoxicating liquor containing more than 14 per cent of alcohol by volume, including 'certified wine' except for sacramental purposes, to be sold exclusively by stores and agencies operated by the Oregon liquor control commission, and making it unlawful for any other person, firm or corporation to sell, offer for sale, or GIVE TO ANY PERSON any such wine or liquor, except for sacramental purposes. Violation of this act is made punishable by fine and/or imprisonment."
