### THE OLD JUDGE SAYS...

"Quite a stack of newspapers I left you yesterday, Judge. Aren't you in the newspaper business, are you?"

"No, I just enjoy reading different papers so my nephew George sends them to me whenever he takes a business trip. I got a big kick out of some he sent me from several counties where they still have prohibition. Particularly from some headlines that read 'Drunk Driving Arrests Rise'."

"Bootleggers must post Ceiling Prices! Federal Agents seize 'Trick' Liquor Truck! Doesn't that go to prove, Joe, that prohibition does not prohibit?"

"I watched conditions pretty carefully during our 13 years of prohibition in this country. The only thing I could see we got out of it was bootleg liquor instead of legal liquor... plus the worst crime and corruption this country has ever known."
