

World War II Veterans, Attention

It is very important that all men being mustered out of the U. S. Service know that it has been done properly.

The American Legion is vitally interested in these boys, their health and welfare, for they must be placed back in civilian activity and must help direct the future of this nation.

Coquille Post, No. 36, will appreciate having all veterans contact the Post Commander, Arny Mintony, or Service Officer, D. E. Rackstaff, and let them assist you.

Before the G. I. bill was passed

many men signed papers which waived all rights to Veterans' benefits when they were mustered out of service. It isn't too late to correct that situation either.

Plunges Disappeared Over Night

Yes, it is true, there is a safe harbor. The missing men, missing over night, have been found. They are safe and sound. They are in the hands of the Red Cross. They are in the hands of the American Legion. They are in the hands of the community. They are in the hands of the people. They are in the hands of the God who is with us.

Coquille Unit Red Cross Notes

Coquille Red Cross will meet Friday, Nov. 10, from 1:30 to 4:30 p. m. in Guild Hall, to sew, knit, crochet, etc.

From Mrs. L. McGeorge, chairman of production of Coos county, comes the following announcement: "S.O.S. Calling all Coos county women who can sew! Materials for the Fall and Winter quota have just arrived for hospital sewing, consisting of bedside bags, kit bags both regular and apron type, hospital shirts, bed jackets, bath robes, and a very large quota of pajamas. You may sew at your local workroom or you may call and take work home. Pacific Area office has issued a new ruling whereby all articles for hospital use must be made of new materials. This cancels the making of scuff slippers and afghan-ispribes from reclaimed materials which Coos county women have made in such great quantities. However, materials for the new type scuffs will arrive later and be supplied to those who have been so active in this program in the past. We have 1,000 pairs of scuffs to make before March, 1945. Please contact your local production chairman for further information."

"Although there will be yarn provided for our regular knitters, we must now realize that our hospital sewing quota comes first of all," says Mrs. D. B. Kesner, chairman of production. "I feel confident that our workers will want to do the thing that is most needed at this time in spite of the fact that they might prefer to do other kinds of work. Three sewing machines are available at the work room and work may be called for and taken home. There will be cut out and ready for distribution men's pajamas, bedside bags and hospital shirts."

For the present the work table will engage in crocheting edges of hospital wash cloths. Can use old white bedspreads, good parts of turkish towel, etc. Cut into 10, 11 and 12 inch squares. Can also use more mercerized thread.

The following ladies are thanked for contributions of yarn, thread, wool pieces, etc.: Mesdames George Taylor, J. L. Smith, R. Candlin, also Mrs. R. R. Flannery for a number of wash cloths turned in by her neighborhood group, and Mrs. F. O. Lund for the first completed pieced baby quilt. Greatly appreciated was the sum of \$3.30 collected from the office personnel of Smith Wood-Products by Mrs. Jane Martin for the Red Cross Christmas card fund for our servicemen and women, also \$1.00 sent in by Mrs. M. M. McCarthy for this service."

In the absence of Mrs. D. B. Kesner and Mrs. C. L. Tuttle last week, the meeting was supervised by Mrs. F. C. True and Mrs. L. P. Fugelson. Mrs. E. D. McCune assisted Mrs. A. N. Gould with the cutting. Mrs. M. Broad visited.

"Let's get busy on the new sewing quota and keep Coquille in first place," says Mrs. Kesner. "We can't do it by wishful thinking or hoping but we can do it by steady, consistent work. We did it last year and we can do it again this year."

W. C. T. U. Chooses Mrs. Georgia Richmond As President

The W. C. T. U. met at the home of Mrs. Pansy Ross for its regular October business meeting last Friday. Mrs. Ross gave the devotional—Faith, Prayer and Peace. Mrs. Georgia Richmond was elected president for the coming year and Mrs. Florence DeNoma, Mrs. Eva McCue and Pearl Cardwell were chosen as delegates to the state convention in Portland. Mrs. Cooper gave as the program topic, "Home Night."

Hostesses Eva McCue and Ross served refreshments to the following: Georgia Richmond, Minnie Laws, Esta Ellis, Florence DeNoma, Bessie Cooper, Mrs. Erickson, Pearl Cardwell, Lundy Peart, Elizabeth Chowning.

Mrs. Barrow, of Marshfield, will have a message for those attending, regarding the availability of free x-ray examination for tuberculosis.

"Abroad With Two Yanks" Armistice Day Picture at Roxy Theatre Thur.-Sat.

It will be William Bendix versus Dennis O'Keefe—a co-starring combination that promises plenty of highly amusing rivalry—when Edward Small's production, "Abroad With Two Yanks," opens at the Roxy Theatre Thursday. The picture is reported to reach a new high in hilarious comedy as Bendix and O'Keefe, as two leathernecks on furlough in Australia, forget they were buddies in battle and get themselves into some fantastic scrapes in their efforts to outdo each other trying to capture a beautiful blonde. The lovely girl in the case is Helen Walker and that makes their strenuous rivalry understandable.

The story opens with the boys sprucing up as their boat nears the shores of Australia. They have been in a particularly tough battle with the Japs and now comes the long-looked-for furlough. If you think they intend to tour the interesting cultural spots in the big country down under, you've certainly got another think coming. The only thing in Australia that each tough

leatherneck is going to seek is a bit of a whiff, preferably with a girl.
