Jones of London, England, will be guest speaker. Rev. Mr. Jones is one of Britain's foremost Bible expositors, who until just recently has been Dean of a San Francisco Bible School.

Coquille is fortunate to have this Bible expositor here for a two-day conference and the public is cordially invited to attend any of these services. Pastor L. C. Persing is expecting visitors for the conference from the churches in Coos and Curry counties.

"Battle Of The Marianas" To Be Shown at Roxy Sun-Tue.

"Battle Of the Marianas" is a special added attraction to be shown with the Bettie Davis feature Sunday, Monday and Tuesday at the Roxy Theatre.

From some 250,000 feet of action footage taken during the invasion and conquest of the Islands of Saipan, Guam and Tinian in the Marianas, the U. S. Marine Corps edited this footage down to 2,000 feet, packed with gripping battle action. Here is a film as exciting as the Battle of Tarawa.

Regular Meeting Of B. F. W. Club Last Monday Evening

Recognition was given Georgia Richmond by Natalie Burns, of Toledo Coast District chairman, for talks she made before service clubs on "Are You a Part-time Citizen?" An interesting conference with good weather all the time they were gone was reported.

Blind Turn Passing Injures Another

Lans Leneve was in town Saturday from Bear creek looking considerably the worse for wear. He had suffered a cut over one eye, one night last week, which his doctor said would have killed him had it been an inch lower; also five broken ribs and numerous cuts and bruises on his face.

It all happened as he approached Front street after crossing the river bridge here, coming to town. Two cars were approaching that left turn to the bridge and one was attempting to pass the other before reaching the turn. To avoid hitting one of them, or being hit, Lans took to the

ditch and wound up against a telephone pole, completely demolishing his car.

It happened in front of the state police office and an officer was promptly on the scene, but before he could see what had happened and start in pursuit, four other cars had gone on across the bridge and, of course, every driver contacted denied that he had been attempting to pass on a blind turn and there was nothing tangible on which to accuse and hold any one of the drivers.
