Wilda M. Van Meter Married In Italy

Headquarters, Comzone, Mtousa, Italy—A girl from Oregon and a boy from the Bronx were married before the candlelighting altar of a Catholic church in an Italian city on Nov. 2.

The bride was Corporal Wilda Mae Van Meter, daughter of Mr. and Mrs. Jack Dalan, 180 North Beach St., Coquille, and the groom was Sergeant Patrick Murphy, son of Mrs. N. Murphy, 1871 Holland Avenue, Bronx, New York.

The marriage vows were read by Lieutenant Colonel Frederick G. Lamb, Catholic Chaplain and the bride was given in marriage by Colonel H. G. Miller.

Cpl. Van Meter and her attendants wore the olive drab uniforms of the Women's Army Corps with a corsage of baby mums. Acting as bridesmaid was Cpl. Mary Jane Ortolan, of Paterson, New Jersey, a member of the bride's company.

Following the wedding a reception was held in the dayroom of the bride's company. The Wac from Oregon and the soldier from the Bronx met in North Africa, married in Italy and are spending their honeymoon in that country's capital city, Rome.

A member of a Women's Army Corps company, assigned to Comzone, the bride has been overseas for fourteen months, having spent almost a year in Oran, North Africa. She is stenographer and administrative assistant to the Chief Clerk in the headquarters of the Signal Section. Her sister-in-law, Pvt. Olive Van Meter, is a member of the Corps in the States and her brother, Sgt. Charles Van Meter, serves with the army.

B. P. W. Enjoyed A Pull Program

An enjoyable meeting of the Business and Professional Women's club was held on Monday night. Mirial Dee Ardath, newly affiliated with the club, presented the speakers and was in charge of the program. Lela Elrod, as activities' chairman, had arranged the program.

Mrs. Bard Keener, in charge of local production for the Red Cross, gave a talk outlining the history of the work so far accomplished here and stated Coquille holds top place in the county for the amount done and she added "gone through hard work." An excess of 80,000 surgical dressings was the record in Coquille, up to Nov. 7. This activity was directed by Mrs. Jas. Bunch. Under Mrs. Alborn's direction, the knitting program has been exceptional. One woman has knit in excess of 900 sweaters and another is running a close second.

Three large shipments of clothing have been made to Russian relief. Mrs. Keener stated the selection of Russia rather than any other nation was made, owing to the fact that shipments from here could be put on ships in Portland harbor and sent direct.

The fine work of the department of hospital sewing was discussed, also the Home service department, which is kept confidential but has proved far reaching in its helpfulness. Fifty-two cards have been mailed to overseas boys and more will be sent in this country as long as the money lasts for cards and postage.

Mrs. Keener closed with the statement that the work has been going on for 2 1/2 years and she felt the workers have done a commendable job in the time they have operated.

Mrs. George L. Maynard gave a brief summary of the essentials of Sumner Welles' book, "Time For Decision." This was published the past summer and the purpose of the book is to present to the public the reasons for deciding now what sort of peace we want in order to avoid a repetition of the unsatisfactory peace made following the last war. With no plans made then, terms were rushed through in an attempt which failed to satisfy the very countries having made them.

Musical entertainment was provided by a group of seventeen Junior High girls who sang two numbers, accompanied by their director, Mrs. Lafferty. Their songs were surprisingly pleasing and smooth with exceptional balance in the harmony. The girls were attractive looking with their white blouses, black skirts and white bobbie socks.

Mrs. Elrod's committee served sandwiches, cookies and coffee. Routine business was conducted by Florence Barton, vice president, in the absence of Eva Stevens, president.

C. Hartley Gratton, lecturer and writer, leading American authority on Australia and an expert on South Pacific, will be the speaker. This is the third of a series of four Institute programs presented by the Coquille Rotary Club as a service to the community. The last program is scheduled for the evening of December 5.

C. Hartley Gratton was born in Massachusetts and educated at Clark University, Worcester, Massachusetts. After a brief period as a college lecturer in literature he settled in New York as a free lance writer for magazines. Since 1934 he has been regularly contributing to the so-called "quality" magazines. He has lately become the contributing editor of "Harper's."

Mr. Gratton is the leading American authority on Australia and an expert on the Southwest Pacific. He first visited Australia and New Zealand in 1927, spent twenty months in Australia in 1937-38 as a fellow of the Carnegie Corporation of New York for the study of the history and current affairs of the Commonwealth, and visited both Australia and New Zealand in 1940 on a special assignment from the Institute of Current World Affairs of New York. He has also written a comprehensive article on Australia for the 1945 printing of "The Encyclopedia Americana." He has a scholar's knowledge of his specialty, but he also has the ability to discuss it clearly and simply.

W.C.T.U. Met Here Last Saturday

W. C. T. U. met last Saturday at the Church of Christ for business and quilt tying for the Children's Farm Home. Devotions were in keeping with Armistice Day. Reports by Mrs. Cardwell and Mrs. McCue about the convention were given and were very interesting.

The following article was read:

The Hon. C. J. Hambro, chairman of the Supervisory Commission of the League of Nations, says that the Japanese have opened thousands of opium dens all over the Far East, that there are more than 13,000,000 helpless and hopeless Chinese addicts, made so by this Japanese traffic. Let us be too harsh in our condemnation of the Japanese, let us remember that Secretary of the Treasury Henry A. Morgenthau, on April 1, said to a group of United States Senators, "I am doing all I can to keep prohibition from happening again, as the Treasury has a \$900,000,000 stake in hard liquor industry."

For the United States to collect \$900,000,000 from one narcotic, sold to its own people is as godless as for the Japanese to collect millions from another narcotic, sold to a subjugated people.—from Christian Advocate.

School lunch was served at noon by Mr. and Mrs. Harold McCue.

Members present were Mesdames Richmond, Ellis, Laws, Cardwell, Horner, McCue, Cooper, Collier, Erickson, Ross, Peart, Chowning, Skeels, Billings.

ring ceremony being used.

The bride and groom's attendants were Miss Mary Ellen Stratford and Earl Benham. The only others present at the wedding were the bride's parents.

After the ceremony Mr. and Mrs. Klingbell entertained with a six o'clock dinner the wedding party, Rev. Mr. and Mrs. Brown and a few close friends and relatives.

Later in the evening, Julius Klingbell of the U. S. Navy, brother of the bride, arrived home unexpectedly not knowing anything about his sister's wedding.

Bernice Elsie Long's four popular songs will be broadcast over KOOS each Sunday, 7:00 p. m. Songs may be purchased at your local music store. 4515
