

Clad Only In A Mosquito Bar

Lieut. and Mrs. Wm. Fook, who came in last Thursday evening for a few days here, left again Monday morning, he to return to Fort Lewis and she to her duties in the Home Ec Department at O. S. C.

Bill has already spent 27 months in the South Pacific and expects to leave on the first vessel going that way to return to his company over there. While here he helped his father, F. A. Fook, a couple of days, working on the house the latter is building on his recently acquired bog land near Bandon. F. A. is having his first vacation from duty in the S. P. depot in several years.

Bill tells a rather laughable story about his bunk mate and their experience one night when Jap bombers came over. The Nips had been missing their objective on some island so far that the men had quit getting up, at night, every time an air alert sounded. But one night Bill did get up and got some clothes on, the strutting sounding as though the Japs were getting a better range.

Standing in the door of their barracks, or shack, or whatever they slept in, he heard a bomb which seemed to be headed their way. He called to his buddy and the noise of the coming bomb scared the buddy. The latter dashed out, with only the mosquito bar under which he slept, to cover his nakedness and both men plunged into their fox hole. But the bomb hit half a mile or more away.

Bill says the mosquitos, where he has been, were more of a nuisance and menace than the bombs.

Tom Martin Finishes Pre-Flight Training At St. Mary's

Tom Martin, son of Mr. and Mrs. Frank Martin of Coquille, recently finished the pre-flight training course at St. Mary's College near San Francisco and was graduated. He will now be assigned to some

primary flight base for other actual training in flying.

Leo Call Leaves Sentinel Employ To Join Navy

The Sentinel this week lost its second employee to Uncle Sam's armed forces, Leo Call, son of Mr. and Mrs. Velorous Call, who left Tuesday evening by bus for Portland. Leo has been with the Sentinel the past two years and hopes to get into the Navy's printing department, some where.

The other Sentinel employee called was Carl Johnson, son of Mr. and Mrs. E. C. Johnson, who is now a sergeant and stationed at Gelzer Field, Washington.

He Will Be In Army Several Years After The War

Lieut. and Mrs. Tallant Greenough, who arrived here from Ann Arbor, Mich., Thursday evening, will leave Friday morning for Salt Lake City and, temporarily at least, he will be stationed at Fort Douglas near there. Tallant's position in the Judge Advocate General's Department of the 9th Service Command is one that will keep him in the service for several years after the war's end and he expects to be stationed somewhere on the Pacific coast if he is transferred from Ft. Douglas.

Fritz Kunz Home On A Fifteen Day Furlough

Fritz Kunz, of the Army Air Corps Enlisted Reserve who has been stationed at Bozeman, Mont., since June, attending the state college there, came in Monday evening on a fortnight's furlough which he is spending at home. He was accepted by the Air Corps last February and expects to report at Salt Lake City. From there he will be transferred to some airfield for flight training. At the Bozeman college his studies were along airplane engineering lines, and he says it is excellent training for a young man.

Coquille Unit Red Cross Notes

Coquille Red Cross will not meet on Friday, Nov. 24, due to the very close proximity of the holiday. Next meeting will be Dec. 1, from 1:30 to 4:30 p. m. in Guild Hall to work as usual.

"The hospital sewing quota now going on will continue until some time in March," says Mrs. D. B. Keener, chairman of production. "Although this is all machine sewing, we shall continue our knitting also. There will be cut and ready for distribution, muslin hospital gowns, pajamas, kit bags and the new type of scuff slippers we are now required to make."

In charge of the general work tables, Mrs. F. C. Trub will have on hand wash clothes to crochet and a quilt top to work on. Concerning

Fred Zwicker Receives Good Conduct Medal

Mrs. Rita Zwicker, who had not heard from her son, Fred, for two months, received the following letter this week from the Chaplain in the 160th Infantry regiment which indicates that Fred is O.K. He wrote: "Your son, Fred, has been given the Good Conduct Medal recently and I want to take this opportunity to offer a word of congratulations. The medal is awarded for outstanding work as a soldier in our country's service. I feel that Fred merits all the commendation he receives and you may well be proud of him. He is a fine young man and is in good health. I am glad to be with him in this regiment."

the few afghans that are nearing completion, these will be given to the Roseburg Veterans Home and the Children's Farm Home to avoid any waste of effort or material. This item has never been considered as essential by the Red Cross but as a service man's comfort item. It has also served a good purpose as a work room project for those workers who do not knit or machine sew and as a fill-in measure between shipments of material.

As it is impossible at the present time to purchase plain or printed material to use in connection with finished quilt blocks, the Unit is asking for about three yards of this material.

Substituting as cutter for Mrs. L. P. Fugelson, Mrs. E. D. McCune took over and Mesdames S. S. Hardenbrook and Wm. Brown also assisted with cutting.

Recipient of the baby afghan given away last Friday was Mrs. Cecil Laws. A hearty round of applause was given Mrs. Ida Owen for her kindness and effort in securing for the local Red Cross Unit fund \$35.25. Mrs. Frank Rover is thanked for a nice cash contribution and Mrs. Bertha Smith for help toward the Christmas cash fund; also to Mrs. Mattoon for a donation of wash clothes and Mrs. C. E. Benham for quilt-making conveniences.

The Unit asks that names of service men and women, not stationed overseas, be sent in or brought to the meeting on Dec. 1, so that greeting cards may be sent them. Fifty-two Christmas cards have been sent to men overseas.

Visitors last week were: Mesdames L. Harig, Roy Deillion and Miss H. Erickson, an army nurse

Arabian Horses On LaSelle Ranch Up Rogue River

W. M. LaSelle, who brought what is believed to be the first registered Arabian horses, a stallion and two fillies, to Curry county last year for his ranch up Rogue river, now has a colt, foaled by one of his registered fillies and sired by his stallion, that he asserts is about as nearly perfect a piece of horseflesh of the kind that can be found. The pedigree of this colt shows it to be descended from two or more of the best Arabian strains ever brought to the United States and also direct from one of

the most famous stables in England. Mr. LaSelle will be glad to have anyone interested in horses visit his ranch and will make them welcome at any time. There are very few of these horses on the coast and many horsemen will undoubtedly be interested in seeing them.—Curry County Reporter.

See Norton's for Christmas cards, Books, Leather goods, Stationery, Games, Pictures, Tiles, Figurines, Vases, Ash Trays, Book Ends, Photo Albums, Scrap Books, etc.

If it is insurance, see me.—F. R. Bull.

NEW BREAD

Easy to bake for Holiday eating

THE HOLIDAY season is "just around the corner" and now is the time to think about the good things we can bake—good things to top off any fine dinner! For example, a fruit cake or a special pie or a holiday pudding.

BARK FRUIT CAKE

1 cup enriched flour	2 cups seedless raisins
1/2 tsp. nutmeg	1/2 cup thinly sliced citron
1/4 tsp. salt	1/2 cup thinly sliced candied orange peel
1/2 cup shortening	1/2 cup chopped nut-sugar, firmly packed
4 eggs	meats, peanuts, walnuts, pecans, etc.

Sift and measure flour; sift again with spices and salt. Cream shortening; add sugar gradually, creaming until light and fluffy. Add eggs one at a time, beating well after each addition. Add flour mixture gradually, combining thoroughly. Fold in fruits and nutmeats; mix. Pour into loaf pan (8x5 1/2x3) lined first with well-greased manila, then waxed paper. Bake in slow oven (275° F.) 2 1/4 hours or until done. Makes 1 loaf.

Note: Cake is the "quick-baking" type. May be stored for only a few weeks.
