Crown It With Cranberries!

THIS TIME OF YEAR, it seems to me there are few things so appetizing as cranberries. Just the thought of them makes me think of "good eating"—and they are so versatile! Here are a few ways to use them so that they will subtly put a crowning touch on any important dinner:

Cranberry-Orange Relish: Ever popular to serve with chicken, turkey or meat. Make plenty and store in refrigerator. Coarsely grind 4 cups (1 lb.) cranberries and 2 large oranges. Add 2 cups sugar and let stand 2 to 4 hours. Makes about one quart.

Yankee Cranberry Sauce: A fall and holiday must—luscious whole cranberries in their own rosy juice. Boil 2 cups water and 2 cups sugar together 5 minutes and add 4 cups (1 lb.) cranberries, cook slowly, without stirring, until skins pop (about 5 minutes). Stir and pour immediately into serving dish. Let stand undisturbed until cool. Makes 1 quart.

Lamb Chops with Cranberries: Just before serving broiled or pan-fried lamb chops, top with Cranberry-Orange Relish or Cranberry Jelly.

Cranberries in Salads:
Jellied Relish Salad: Fold 1 cup Cranberry-Orange Relish and 1/2 cup sliced celery into 1 package dissolved luncheon gelatin. Chill in individual or large mold until set. Unmold and serve with creamed mayonnaise or salad dressing.
Cranberry Jelly-Chicken Salad: A favorite pair. Serve chicken salad with cubes of cranberry jelly lightly mixed in just before serving.
