Ladies Are Urged To Buy These "Pin Money Bonds"

The Woman's Division of the 6th War Loan Drive is promoting a Bond Buying Campaign entitled the "Pin Money Bond," says Mrs. Georgianna Vaughn, the Coquille chairman.

This is a promotion plan whereby women turn their pin money into war savings stamps. The usual Stamp Album will be used but it will have attached a Pin Money Bond sticker. When the Album is filled, the sticker is then removed and given to the organization that will take credit for the bond. A woman may credit the purchase of a Bond to one organization only.

When 90 per cent of the club's membership have purchased a Pin Money Bond, the organization will be qualified to receive a Citation for Patriotic Service. All women's organizations in the city are to be contacted to urge their participation in this plan.
