The Pressnalls Are Again Operating The Coffee Shop

Mr. and Mrs. D. P. Pressnall are again in charge of the Coquille Hotel Coffee Shop, their lease which they had sold to Al Jones not expiring until next March.

Mr. Jones had been operating the Coffee Shop for about ten days and had spent money for the lease, advertising, commissions and other expenses, but last Saturday night he turned the Coffee Shop keys in at the hotel desk, left a note saying he would not be back, and took the part of the crew he had brought up from Los Angeles away with him. No reason can be given by Mr. Pressnall, nor by Mr. Compton, the lessor, for Mr. Jones' failure to go through with his agreement to operate the Coffee Shop.
