Washington — A Townsend Plan calling for widespread national insurance, was introduced in the U. S. Senate on Tuesday, March 6, by Senator Claude Pepper, Florida Democrat.

The measure is identical with two other Townsend bills introduced in the House of Representatives three weeks previously. One of the House bills was offered by Rep. Pat Cannon, Florida Democrat, and the other by Rep. Homer D. Angell, Oregon Republican.

All three bills call for national insurance, payable monthly, to citizens 60 years of age and older who agree to retire from gainful employment and spend their annuities within 30 days of receipt; to the permanently disabled and the blind between 18 and 60; and to widows with dependent children.

The program would be financed by a three per cent tax on all business and personal gross income with a \$1,200 annual exemption. Benefits would be paid to eligible annuitants

on a pro rata basis out of funds derived from this revenue.

National Check-Your-Tire Week Starts Monday, March 19

National "check-your-tire-week" will start Monday, March 19, with nearly 20,000 tire dealers throughout the country cooperating in an attempt to prevent thousands of automobiles from being forced off the road for lack of tires. This announcement has just been released by Ray Grimshaw, Portland, Oregon, president National Association of Independent Tire Dealers.

The situation is alarming. Due partly to the impression that the war in Europe would soon be over and that new tires would be released for civilian use, the public generally has been lax in tire conservation. This was proven by surveys made in several cities by OPA which revealed that almost two tires per car were in need of reapplying.

The tire situation is more serious now than ever before. The demands of the armed forces have not as yet been met. Thousands of tires are ruined every day on the fighting fronts. More thousands are demolished by shell fire or bombs and are cut to pieces over the shell pocked roads. Even Armistice in Europe would not relieve the situation, as our main efforts will then be directed against Japan, which would mean traveling over Burma and China where even so-called good roads are deadly to motor-transportation.

Tire dealers throughout the country have agreed to assist in a tire checking program. Mr. Grimshaw points out that while the public is urged to have their tires inspected this week, that this is a continual process and tires should be carefully checked by experienced servicemen at regular periods.

Letter From Mr. and Mrs. W. E. Mitts in Pasadena

Writing from 1535 Bellford Ave., Pasadena 7, Calif., to renew their subscription to the Sentinel, Mrs. W. E. Mitts says that they "have purchased a neighborhood grocery and must say it does keep us busy. Mr. Mitts is much improved in health."

"Our daughter, Frances Brown, and son, Manfred, make their home with us since her husband, Thomas E. Brown, CMI/c, was voluntarily inducted into the Navy a year ago. He is now stationed at the Naval Landing Force Equipment Depot at Albany, Calif., just across the bay from San Francisco.

"We surely have enjoyed this wonderfully sunny weather this winter."

Kidneys Must Work Well

For You To Feel Well
It takes every day, 1 day every week, never stopping, the kidneys filter waste matter from the blood.
If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.
Burning, stinging or too frequent urination sometimes warns that something is wrong. You may suffer nagging back-ache, head-aches, dizziness, rheumatic pains, getting up at night, swelling.
Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulates the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

DOAN'S PILLS

From where I sit ... by Joe Marsh

How Sober Hoskins Got His Name

Everybody kids Sober Hoskins about his name. Of course, they allow that it's appropriate. Sober never drinks anything stronger than a glass of beer. And a harder worker in the fields there never was.

From where I sit, there may be something in what Sober's dad says. Naming children after virtues is a fine old American custom. Look at the names of our pioneers and pilgrims: Faith, Piouss, Charity, Hope, Ernest.

"Shucks," says Sober's dad. "We named Sober 'Sober' just because he looked that way when he was born. Like we called his sister 'Gay' and his other sister 'Prissy.' And it's had its effect on all of 'em," he adds with spirit. (Prissy is the old maid in the Hoskins family.)

Maybe we should use such names more often. And one I'd like to add is "Tolerance." If we all had Tolerance for a middle name, and lived up to it, we'd have a better, happier world.

Keep Red Cross at his Side!

THE OBLIGATION OF EVERY AMERICAN

Giving to the Red Cross is an obligation—and a privilege—because the Red Cross is YOU. It is supported entirely by voluntary contributions. If you want the Red Cross—and you do!—you must support it.

To our men in uniform, the Red Cross is a precious gift from home... blood plasma to save life... sweaters and socks, cigarettes and other little comforts lovingly donated... a smile from an American girl in a lonely land...

To the boy in an enemy prison camp it's the life-saving packages and letters delivered behind barbed wire...

To the hungry, the sick, the wounded, everywhere, the Red Cross is a tangible expression of the warm, compassionate heart of America...

To you, the Red Cross is a personal representative to suffering humanity and to your men in the armed forces.
