Teen-Age Club Had Fine Party Last Friday Evening

Members of the Coquille Teen-Age Club report they had a fine time at the High School gym last Friday when they entertained for the first time with an evening of fun, attended by about 120 young people and parents.

The program, arranged by Claire Gray, consisted of several vocal and instrumental numbers, including a quartette composed of Jeanne Griggs, Pat Yarbrough, Laura Emily Ruble and Geraldine Oerding, and a trumpet and trombone duet by Claire Gray and Gerald Ulett. Mrs. Pearl Ellingsen played the accordion for some of the dance numbers.

A number took part in the square dances and grand march which were taught by Ed Hughes during the evening. Modern dancing was enjoyed most of the evening. Cookies and punch were served by the Pepsters.

Tentative plans have been made for a dance to be held April 13, to help the allied clothes drive. Each person attending will be required to give an article of clothing and to wear clothing older than the article donated.
