

Lieut. R. A. Rinehart Speaker At Rotary

Lieut. R. C. Rinehart, ground officer in the Navy Air Corps from the North Bend station was the guest speaker at the noon meeting of the Rotary Club which was held in the Coquille Coffee Shop on Wednesday.

Lieut. Rinehart, whose home was originally in Portland, spent considerable time in the southwest Pacific attached to the P. B. Y. squadron, whose mission is to rescue flyers who have been downed by enemy action or other causes.

He spoke very enthusiastically of the work of this part of the air corps and said that many a pilot and crewman owed his life to the heroic efforts of these ships which had made many rescues under direct fire from the Japs. He also praised the work of the Seabees who, he said, sometimes almost completed in the landings with the marines, and the wonderful success they had had in making the islands liveable and usable by the occupying forces.

Referring to the war bond drive Mr. Rinehart stated that 95 per cent of the men in his unit were taking allotments for war bonds and he was encouraging them in doing so as a neat egg against the period of readjustment after the war. He also spoke of the work that the Rotary clubs were doing for boys and young men and said that there would also be a field for them when the boys came home.

The only Rotarian guest present was Charles R. Frazier, of Honolulu, who has recently purchased a large tract of land in the Middle Elk country back of Fort Oxford.

Other guests were Lieut. Robert Kline, who arrived home Tuesday evening on a short furlough, after receiving his commission at Pecos, Texas, on Sunday; Lloyd Claver, Geo. A. Ulett, Keith Lealie, David Kline, Albert Geiss, Gerald Ulett and Claire Gray, of Coquille; Thos. Young, of Eugene, and Claude B. Stotts, of Coos Bay. Mr. Stotts spoke briefly on the current drive for funds for the Cancer project.

Hose are being rationed! Get your order in now at Amy's. Amy also is taking orders now for the Hoover white uniforms, priced from \$2.98 to \$5.98, and has the lovely white, sheer rayon hose to be worn with them. The dainty, lace-trimmed uniforms in pastel shades, and the white aprons that look so well with them have come in, too.

Phone 222R, to Art Hooton for your electrical wiring and repair needs. He is located north of the ball park on the Fairview road.

Another Coos County Pioneer Called

A pioneer resident of Coos county, who came here from Missouri in 1875 with her parents, Mr. and Mrs. S. S. Endicott, passed away last Friday at Hynes, California, where she was visiting a daughter. She was Mrs. Lilly Dale Fish, mother of Frank J. Fish of Bridge, and sister of Dr. Chas. W. Endicott, of Coos Bay.

Funeral services were held on Tuesday this week at Myrtle Point, where she had made her home for years. She was 78 years of age.

Of the nine children born to her and the late John C. Fish to whom she was married in 1881, six survive—Frank J. Fish, Clarence Fish, of North Bend; Joseph Fish, of Oakland, Calif.; Arthur and Don Fish, of Portland, and Mrs. Harold Kincaid, of Hynes, Calif.

Three surviving sisters live in Coos Bay—Mrs. J. S. Lyons, Mrs. C. McC. Johnson and Mrs. Bertha Larson. A fourth sister, Mrs. Frank Clemens, resides in San Francisco.

Two other surviving brothers besides Dr. Chas. Endicott, are Dr. S. C. Endicott, of Eugene, and James A. Endicott, of Glendale, Calif. She is also survived by grandchildren and great grandchildren.

Interesting School Meetings Were All Well Attended

The series of meetings, arranged by the office of the County School Superintendent for school directors and clerks, were concluded with the meeting at the city hall in Coos Bay Thursday last week. Meetings were also held at Myrtle Point and Bandon. The attendance was very good at all three meetings and interest shown was especially gratifying in view of the fact that days are so full just now.

A brief resume of the numerous educational bills of most interest to the group was given by Lester Wilcox of the State Department of Education. Those of special import at present are the ones concerning the extra three million dollars to be used as a further property tax offset, the cigarette tax for school support to be referred to the people June 22, the appointment of all school clerks and fixing of their salaries, and the offset of tax for the county school fund when it is available.

Auditor Al Montgomery elucidated the keeping of records and the preparing of the clerk's annual report. State Association President George Huggins urged that local boards affiliate with the State Association. About 15 school boards are now members, and it is estimated that nearly all of the boards will become affiliated within the next few weeks.

County Treasurer Receives Check From State For Schools

County Treasurer Chas. Stauff this week received from the Secretary of State a check for \$65,702.82—the same amount as one he received last October. The funds come from State Income Tax sources and are from the State School Support fund for the 1944-45 school year. The treasurer pays it out again to a large percentage of the school districts in Coos county.

M. P. Seniors Give Class Play Tuesday

The audience sat in tense discomfort and consternation for several minutes in the Myrtle Point High auditorium Tuesday, April 17, when the dignified young society matron in the Senior Class Play, "Every Family Has One," walked on-stage for a haughty farewell to her hosts, with her slip showing several inches. The scene compelled hysterical snickers while everyone waited for members of the cast to notice what was wrong. Players on-stage glanced down and each in turn tried to hide a smile. It was only after the young woman had taken her departure, along with her slightly unethical husband and handsome young son, and the grandma burst out laughing to explain to the distraught young housewife that the guest's slip had been showing "six inches," that the audience could be sure it was a part of the play. The reaction to this scene proves how well each young Senior portrayed his part.

This particular "skeleton," of which "Every Family Has One," was a charming blonde. When she and "Nana," the wise, old, down-to-earth grandma, conspired to break up the wedding of the beautiful young Marcia and her supposedly-wealthy fiancé, you can be sure there was action and comedy in abundance. Miss Dorothy Gurney was presented a gift during the evening by the play cast in appreciation of her splendid direction.

Friends have learned that Cliff Yarbrough is really enjoying his vacation on the Rogue. Tuesday he caught a salmon big enough to tell about upon his return home.

Beulah Chapter Initiated Five Last Thursday Evening

Last Thursday evening, five were initiated into Beulah Chapter, No. 6, O. E. S., at the regular meeting held in the Masonic Hall.

Ten Junior High School girls, under the direction of Mrs. Alice Laferty who accompanied them, sang most pleasingly "Little Old Lady." During the number the girls, gowned very attractively in floor length dresses, executed several measures of that extremely graceful dance, the Minuet. Mrs. Eunice Barrow was in charge of the program.

Following the meeting, a social hour was enjoyed with refreshments served in the banquet hall. The long table was attractive, centered with a tiny garden, while overhead hung an umbrella festooned with silver tinsel to represent miniature rain-drops.

At the next regular meeting, Thursday evening, April 26, there will be a social evening with cards.

Age Retirement From Navy Given "Butch" Briner

E. M. "Butch" Briner, who had been in the Navy for the past 31 months, arrived home Sunday evening, again a civilian. Having reached the age of 42 years, he was eligible for retirement or discharge.

For the past five months, following his transfer from a Naval office at the Farragut, Idaho, camp, he had been stationed at San Bruno, Calif., and just missed receiving an overseas assignment several weeks ago.

Mrs. Briner, who had been employed in the same office building at Farragut where he was, came home when he was transferred and she returned about ten days ago from visiting him at San Bruno.

Townsend Club No. 1 Notes

A good crowd was out Tuesday evening when a short business meeting was held. The "Flash" was ordered for another five weeks. Caravan of clubs is to meet Sunday, April 22, here, with Myrtle Point as host. A

letter was read from Mr. and Mrs. E. A. Wimer, of Eugene. Mrs. Christensen received the door prize.

On May 1, a May Day basket social will be held. Don't forget to come and bring a basket, ladies. —Press Cor.
