

**Baptist Church Camp Opens Next Monday On Coos River**  
The annual camp of the Baptist Churches of Coos county will be from Monday, July 30, to the following Saturday at the grounds on the South Fork of Coos river. This

is a family style camp and welcomes all who are interested. Extensive improvements to the property have been made for this camping season, including a large dining hall to accommodate 180 people, and a swimming pool.

A fine program has been planned, with local pastors on the teaching staff, as well as several outside inspirational speakers, to include Dr. Francis Starring, state secretary, and a missionary family from Africa, as well as sponsors for the boys and girls section. Pre-registration shows great enthusiasm for this season.

**People Are Nice**

Margaret Anderson is one of the nicest. There was a thrill of almost personal pride when I saw the new column by Margaret in the first issue of the COOS BAY HARBOR under its new regime. Margaret has been one of my extra special loves since she was a very young lady. She is "kind of" my girl.

Although I had known her for several years previous to that time, I remember most enjoyably the period when I lived next door to her during the first year of my marriage. She was so satisfyingly impressed by the embroidered pretties in my "hopechest," and so friendly and always-at-handish when I was becoming accustomed to the solitudinous days of a young housewife away from big, jolly family for the first time. Her unceasingly active mind kept such a stream of questions headed my way that I considered putting on an extra shift—it was nearly impossible for one person to keep answers up-to-date for her.

During the years in between, when we have both been "growing up," we have been apart for long periods of time, but I always feel a fine surge of warmth when I see her again and sense that the deep, true honest nature of her is unchanged. I was happy to find how well her personality is portrayed on her radio programs, especially since I have a secret yen for radio and am very much interested in radio folk. When you read this, Margaret will be Mrs. Floyd McCoy, and I can say with all sincerity that I know of no one more deserving of the "real McCoy" in life. I can think of no nicer thing to wish for her, than that she may find a chubby little bare-foot blonde next door to keep her reminded of the worthwhile things in life. By all means, the child should be sweet and generous with a never-ending flow of questions—some embarrassing, some thought-provoking. Success to you in this great new venture, Margaret.

Somewhat, I expected Coquille to be pretty quiet for a while after the effort put forth for the big celebration, but I was wrong. The concession booths were quickly removed and all evidence of the festivity erased. New activities are under way for the young folks, and workers have put a smooth new surface on the Coquille-Myrtle Point highway. Our valley is a comfortingly fixed spot on the map of a changing world. Yes, ours is the type of home-place that builds the fondest of memories to treasure. Coquille's Chamber of Commerce has something to shout about; but it is so self-evident they need not tout their own horn—Hm. Could be I'm sold on our beautiful valley. As ever, Pat.

**B. P. W. Hold Meeting In Stevens' Rumpus Room**

The Business and Professional Women's Club spent an enjoyable evening last Monday when they met at the home of Mrs. T. S. Stevens for the regular meeting. The Stevens have a Rumpus Room in their basement which boasts a fireplace. Games were played and a wonderful supper was served by Mrs. Stevens and Mrs. Hollimon. About thirty attended. A special guest was Mrs. Jesse Barton, Jr., daughter-in-law of the president, Mrs. J. S. Barton.

During the business meeting reports were made on the War Loan and Membership drives. Mrs. Newton brought in several names of membership applicants. Mrs. Annie Robinson had recently visited the 4-H camp and told of the enjoyable time she had while there.

The next meeting is to be held at Mrs. Ruth Beyers home for the hamburger supper, which is an annual event and one of the especially anticipated meetings during every summer. The party is always held in the log cabin on the grounds of the home. A white elephant sale is to be a feature for the evening. Each member should bring a donation of this nature.

**Glad From Mrs. Sturgeon Brighten The Sentinel Office**

Mrs. Sam Sturgeon of Fairview Route brought a gorgeous bouquet of glads to enliven the Sentinel office last week. The choice beauties were grown by Mrs. Sturgeon herself, and she states that she has an abundance of glads in a great range of colors. She also brought the news that Mr. and Mrs. Marvin Sturgeon have presented her with her first grandson. The baby's father is in the Navy, while the youngster and his mother are in Salt Lake City. Marvin, Jr., weighed five pounds at his birth on June 13.

Mrs. Madeline Nelson stopped for a "hello" at the Sentinel office last Thursday, on her way to Roseburg from her home in North Bend. Mrs. Nelson is an instructor in the Empire grammar school.

**W.S.C.S. Considered Topic, "The Door of Understanding"**

"The Door of Understanding" was the subject for the worship service at the July meeting Thursday, July 13, when the Woman's Society of Christian Service met in the parlor of the Pioneer Methodist Church. Mrs. Minnie Laws led the program, assisted by Fern Peterson, Georgia Richmond and Sybil Avery. The service concerned better understanding of our neighbors, with a different racial or national background than our own. Mrs. Bessie I. Couden sang, "Keys of Tomorrow."

The society which meets for an all-day session on the first Thursday of the month regularly has a potluck luncheon at noon but during the summer simplifies it with a sack lunch. A new plan is to precede the program which starts at 2:00 p. m., with a prayer circle.

The following attended last Thursday: Mesdames Sybil Avery, Anna Christensen, Esta Ellis, Zoe Fugelson, Minnie Laws, Helen Peterson, Fern Peterson, Lundy Peart, Lavinia Peart, Georgia Richmond, R. B. Rogers, Lena McCurdy, Birdie Skeels, Miranda Way, Esther Taylor.

**Two Birthday Parties For Young Ladies**

Judy Larson, daughter of Mr. and Mrs. Irving Larson, was seven years old on July 14. To celebrate the event, dessert was served at 12:30 to several young friends, after which they all attended the matinee. The birthday cake was sent to Judy by her great grandmother. Invited were Kaloma Noble, Karen Mauney, Kay Murton, Janice Dey, Kay Simmons, Betty Clark, Sharon Larson, Douglas Larson and Judy Larson.

Mrs. Harold Dey entertained a group of children on Tuesday, July 17, in honor of her daughter, Janice, who was celebrating her third birthday. The party was held in the play house, which was decorated for the occasion. The small guests were Sandra Matejka, Sandra Price, Sharon, Judy and Douglas Larson, Betty Clark, Kay Simmons and Kaloma Noble.
