# VOLUNTEERS WANTED!

## TO HELP PREVENT FOREST FIRES

**THIS IS A CRITICAL SUMMER!** Jap balloon sabotage is in the air. There is a shortage of manpower. Forest fires stop the production of logs critically needed for the war and burn up manpower.

Throughout Oregon and Washington, district fire wardens, city fire chiefs and local citizens are organizing to PREVENT and to FIGHT FOREST FIRES.

"What can I do?" You ask. YOU can report every wisp of smoke you see in the woods. Just call "operator" and say you want to report a fire.

Don't delay. Promptness is vital. YOU can warn your friends to be unusually careful of cigarettes, matches and camp fires near the woods.

**BE ON ACTIVE DUTY** from the moment you read this message. Decide in your own mind that you will accept a personal responsibility to report fires—and to warn others of forest fire danger. There are no badges, no membership cards nor medals for this "good neighbor" duty. Your reward will be in the satisfaction of knowing that you are doing your part to preserve our forests and Keep Oregon green.
