Bandon Student Wins \$50 Prize

SALEM, November 25—(Special)—Melrose Young, 17-year-old Bandon high school girl, became Oregon's school-girl-of-the-week when she was awarded a \$50 war bond for first prize in the state-wide Keep Oregon Green achievement contest, according to Charles Ogle, executive secretary of the association. In competition with 25,000 Green Guards from every Oregon county, the pretty Bandon school girl was judged not only best essay writer, but her record of fire prevention work during the summer in the Green Guards was acclaimed. This contest, sponsored annually by the Keep Oregon Green Association, is open to all Green Guards in Oregon and this year many participated, according to Secretary Ogle. Thirty-eight Green Guards won cash prizes in war bonds and stamps totaling \$350.

When Your Back Hurts
And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging headaches, rheumatic pains, backaches, dizziness, vertigo, fainting, leg pains, swelling, hemorrhoids, frequent and scanty urination with burning and stinging to another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wise in such cases. Use Doan's Pills. It is better to rely on a medicine that has won country-wide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

It's Big-It's Beautiful-It's BUICK

THIS, we reasoned, is no time to offer folks a car that stops with artful face-lifting. It has been nearly four years since our last new Buick was built — it wouldn't be shooting square now to give you less than our honor-bright best. So we overhauled our whole factory to advantage it with the latest in war-developed machines and processes. We scoured the country for the stoutest metals anyone can buy today. We set ourselves precisions that in some cases exceed those of aircraft engine production. And we eagle-eyed every one of this Buick's 12,000 parts to see if it could be bettered in any way, big or little. The result is that through every stunning inch of this bright new honey runs solid, dependable Buick character, honest and uncompromised. It's in swift clean lines. In seats that are three-persons wide. In stout, time-defying frames and underpinning. Above all — in the lift and life of a Fireball straight-eight that's even livelier than in 1942. The cars your Buick dealer will have are big. They're beautiful. They're Buicks. In fact — the best Buicks yet!
