

Park Superintendent Inspects Myrtles

Sam Boardman, state park superintendent, in company with a delegation of Coquille, Myrtle Point and Coos Bay men, spent Friday visiting the park groves of Myrtlewoods along Myrtle Lane, and pointing out work that has been done by Otis Jensen, Coquille, superintendent of Myrtle park development here.

A trip was taken by car out along the various sites and the work done already in clearing under Mr. Jensen was shown.

The state highway department will be approached soon with the proposition of making a permanent state park here.

According to late reports today from Salem the money needed for the park development has been placed in the requests and will be subject to review soon.

Evan Albion, Coquille Chamber of Commerce president, was instrumental in conducting the Friday meeting and study.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery. Symptoms may be nagging backache, persistent headache, stinging of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disease are sometimes burning, scanty or too frequent urination. There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!
