A report showed a net income of \$610.00 to the association from the Basketball tournament. The official storer, announcer, and timer were voted \$2.50 per night for their work during the tournament.

Red Cross Needs Continue To Grow

Because of an urgent need for an additional number of knitted garments for hospitalized service men, the Coquille Red Cross unit will continue knitting and working every two weeks, Mrs. Wm. Candlin, knitting chairman, reports.

Among the outstanding local knitters is Mrs. Frank Homenyck, who recently brought in ten sleeveless sweaters she had made in one month. We miss Mrs. Florence Hall, another outstanding member who knitted many of our sleeveless sweaters, and also Mrs. K. Norton.

Mrs. Neeley made four sleeveless sweaters in February. Mrs. Mike Broad, Mrs. Ida Owen, Mrs. Alton Clausen have worked faithfully since the end of the war and Mrs. Henry Belloni, who learned to knit sox, brings in one pair a week.

Next meeting is April 19th in Parish Hall.

A set of proposed by-laws will be drafted by a committee consisting of Phil Alborn, Jr., Ed Hughes and Cliff Gulseth.

The club plans many activities for the summer and cordially invites all those interested to attend the next meeting on Thursday, April 18, in the Community Building's Boy Scout room.

Coos 4-H Girl To Get Scholarship

Some lucky Coos county 4-H club girl will be presented with a \$75 scholarship at the county-wide annual Program Planning meeting to be held Saturday, May 5th, at the Greendell Grange hall, announces Mrs. Lloyd Davenport, chairman of the Coos county Home Economics Advisory committee.

The scholarship is to be presented to some senior high school girl who is now taking 4-H club work and is interested in taking Home Economics at Oregon State college. Several candidates are being considered and any 4-H club girl interested in trying out for the scholarship should contact Mrs. Cecilla Van Winkle, county home demonstration agent, or Mrs. B. W. Dunn, Coquille, before Friday, April 26th.

To help finance the scholarship the committee is planning to publish a cookbook of favorite recipes of the county homemakers. Anyone who wishes may send in her favorite recipes to Mrs. Dunn before June 1st. Seafood and dairy products recipes are especially desired since these will be special features in the book. Each recipe submitted will be thoroughly tested before being put in the book.

The book will have a spiral binding so it will lie flat when open. It will probably be ready for distribution around Sept. 1st.
