Robert S. Farrell, secretary of state, spoke last night at the Elks' lodge in Coos Bay.

The occasion was the celebration of Flag day, June 12. A musical program was arranged for the evening under the supervision of Walter Garvin.

Many from Coquille were in attendance.

Mr. and Mrs. Clyde Parrish and family left Wednesday morning for the Yakima valley where they will stay until school starts in the fall. They spend every summer in that section helping with the fruit harvest which is one of the largest in the world, and all of it due to the irrigation brought in by foresighted agriculturists and businessmen.

Geraldine Oerding is working this summer at Farr and Elwood's. She will enter Willamette university in September where she will take music. Willamette has one of the three schools of music recognized by the American Association of Schools of Music in the Northwest. The other two are at the University of Oregon and the University of Washington.

Watch Your Kidneys!

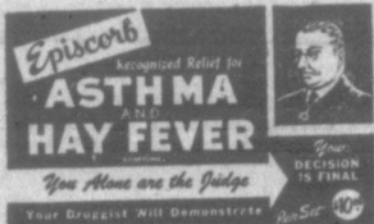

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

Folks keep asking about those new Chevron signs

And those questions are music to our ears—because we want you to know all about 'em. You see, lots of people appreciate the careful, friendly service they get at independent stations but they don't always know they are "home-owned." So those new Chevron Signs and the distinctive burgundy, cream and green paint jobs on our stations mean that we're independent business-men in the community.

It's mighty important to us that our customers get the finest—so you can be sure we'll continue to handle products like Chevron Supreme Gasoline and RPM Motor Oil. Our services and accessories will be the same high quality, too.

Chevron Gas Stations will always honor Standard of California's Chevron National Credit Cards, too. If you haven't applied for one yet, we'll be glad to take your application.

REMEMBER...the same products, the same service, the same folks to serve you
