Letter To The Editor

Dear Editor:—

We wish to thank the judges of the 4th of July parade for awarding us first prize. It came as a very pleasant surprise.

Also our thanks to each one who helped with the float and to each home maker who took part in our Home Extension program the past year.

Soon we will begin another year program, which will be as interesting and important to us as Home Makers as the past one has been.

We especially thank Basil Arnold who furnished and drove the truck and Mrs. Arnold for her work.

We hope to have a large group of members this year.

Thank you,
Mayre Laird

Grange Notes

Friday night, July 26, Coquille Grange met with three visitors present.

Bro. Wicklander who is state deputy, Sr. Wicklander, state juvenile chairman and Sr. Ruth Varney, still a Coquille member, but who has not been with us for two years. Sr. Varney lives in Long Beach, Calif.

Bro. and Sr. Wicklander were escorted to the Masters Station and business was carried on.

Three officers were found absent, Josh Rubie, legislative chairman, reported on Co-op electric meeting at Coos Bay. Henry George gave some good suggestions on traffic and accident laws. A letter from National Grange headquarters was read and \$25.00 was voted to apply on said building.

The quarterly report was read and 116 members reported in good standing which means dues paid for 1946.

Sr. Wicklander gave a short report on juvenile work at State Grange. In her talk she told of the report on prices on farm commodities given by boys nine and ten years old. Bro. Wicklander gave a short talk concerning the Blue Cross hospitalization plan and grange life insurance. Sr. Varney spoke a few words. During the lecturer's hour, Paul Beitman showed some pictures in technicolor which all enjoyed.

A group of 14 people from Aleghany were present to give us a preview of a play which will be presented here later, sponsored by the Coquille Grange. Judging from the preview the play should be well worth seeing.

BETTER THAN PRIVATE INVESTIGATION

There's an ancient way in which a purchaser might satisfy himself of clear title to land. That is through an exhaustive review of all deeds, wills, marriages, heirships and other documents by which the property has been conveyed, mortgaged, leased or transmitted over a long period of time. The purchaser of land who protects himself with a Commonwealth Insured Title avoids this endless detail, knowing, too, that no flaw will exist in the title to cause loss.
