Services Held For Alva Lee Grinnell

Alva Lee Grinnell passed away at the Sacred Heart Hospital at Eugene Saturday, August 10th, at the age of 76 years, four months and 26 days. He was born in Wisconsin March 14th, 1870, where he lived until 18 years of age, when he moved to Mon-

tana. He came to Oregon 25 years ago, most of the time since being spent in the McKinley district. He was a member of the McKinley Grange and in tribute to their affection and long friendship, the officers and members conducted a very impressive service at the grave-side at Dora cemetery at 2:00 p. m. Friday, August 16th. Service were under the direction of the Gano Funeral Home.

Surviving are one daughter, Mrs. Effie Keller of Coquille; a grandson, Roy V. McCracken, Austin, Texas; one great grand daughter, Carol Ann McCracken, also of Austin, Texas; and several nieces and nephews.

Newly-Weds, Parents Make Coastal Trip

Mr. and Mrs. Bosserman, accompanied by the bride and groom, Mr. and Mrs. William W. Blakeley, and the groom's mother, Mrs. Ethel Blakeley, left last Thursday on an auto trip down the coast, 20 miles below Crescent City where they saw the famous Trees of Mystery.

From there they went to the Oregon Caves, Crater Lake, Diamond Lake, to the celebrated House of Mystery and on to Bend. They returned to Eugene Sunday via the McKenzie Pass. Mrs. Marvin Hopkins, daughter of the Bossermans, prepared a special birthday cake for her mother, whose birthday was Sunday.

Mrs. Ethel Blakeley left Eugene by bus for Portland where she took the streamliner Monday for Chicago. Mr. and Mrs. William Blakeley, nee Donna Dean Bosserman, stopped off in Sutherlin where they will reside for the present and the Bossermans came back alone to Coquille.

Fire Destroys Home

A fire last Wednesday just after The Sentinel had gone to press destroyed the home of Mr. and Mrs. R. L. Jewell on the Dean Minard road a mile from Coquille.

Mrs. Jewell had just left the home when a neighbor came by and discovered the house afire. She immediately turned in an alarm and the Coquille fire department responded. Without a water supply the fire department had to resort to chemicals to attempt to check the blaze.

The Jewells lost virtually all their possessions in the fire. He is in the employ of Steinmetz Motors. This week the Rotary and Active club both made gifts to the Jewells to aid them in purchasing some needed household items. The house belonged to Charles Stump of Langlois.

Home Cook Books

Plans were completed for the cook book to be published by the home economics advisory committee when they met at the home of Mrs. William Jacobson of Glasgow last week. The book will go to press in another week and will be ready for sale around the time of the Coos County Fair. It contains tested recipes of Coos county homemakers.

Also at the meeting, plans were made for a booth in the County Fair. It will be a demonstration booth and three demonstrations will be held each day. Announcement of who will give the demonstrations will be made at a later date.

Plans were also made to arrange an officers' training meeting on Friday, September 20.

"You don't have to swing to kill that pesty thing!"

Flies, mosquitoes, moths and other similar insects (with or without wings) take a permanent nose-dive when they run into a whiff of Standard Fly Spray. Used as directed, it won't stain your finest materials, it has no unpleasant odor, and it's harmless to human beings. It not only gets rid of pest parents, it also destroys their eggs and larvae—before insects are born.

And use Standard Animal Fly Spray to get rid of flies on milk cows—and as a general insecticide for all animals.

What a Headache!

... and we were all set to give you super service

I'm not forgetting those who are still patiently waiting for my help. Although the war has been over for some time, serious shortages still exist... wire and transformers... needed before electric service can be supplied, are practically unobtainable. Whatever trickle of these materials we receive are promptly dispatched to waiting job sites for installation.

Honest folks... I'm looking forward to the time I'll be serving the hundreds of additional families who want and need my service.

If you are an applicant for electrical service, we understand your eagerness to have it. Believe me, I'll be there just as soon as possible.
