Extension Unit At Holverstott's

By Patricia Neal

Eleven members of the Fairview Extension Unit met at the home of Mrs. Faye Holverstott on Tuesday, at which time Mrs. Holverstott and Mrs. Alpha Saylor gave a demonstration on "Table Setting." Ways of setting the table were demonstrated which will add to the pleasure of eating. Suggestions for making attractive and inexpensive centerpieces and favors were given and seemed to draw the interest of everyone. Methods of making up tea table and arranging the buffet for buffet entertaining were shown and everyone learned ideas that can be used often in everyday entertaining. The project was presented very well and held the interest of everyone.

Plans were discussed to raise funds for the building fund, which is a state-wide plan to build a dormitory to house 35 or 40 girls on the O.S.C. campus. Each unit in the state will give as much as possible in the next three years and at the end of that time it is hoped that building materials will be available and the building can be completed.

Miss Alpha Saylor will take Mrs. Buster Nygren and Mrs. Darby Stock to Coquille on Thursday to attend the project leaders meeting. The demonstration will be "Wash Day Tips." This meeting will be presented to the women of the valley on December 10th at the Nygren home.

Mrs. Chas. Gaslin and Mrs. Harold Neal will attend the project leaders' meeting in Coquille on Dec. 11. The project will be "Winter Salads." This project will be presented Feb. 28th to the ladies.

Luncheon was served to Mrs. "Babe" Prohaska and Dedie Huble, Mrs. Lloyd Carter, Mrs. Buster Nygren, Mrs. Alpha Saylor, Mrs. Wm. Noah, Mrs. Ivy Frye, Mrs. Wm. Fano, Mrs. Charles Gaslin, Mrs. Russell Stillwell, Mrs. Harold Neal and Patrick and the hostess, Mrs. Faye Holverstott, Bill and Lorene.

The latest report is that Russell Stillwell, who underwent a major operation a few weeks ago, is on the road to recovery. Everyone hopes he will soon be well enough to come home.

Mr. and Mrs. Bob Holverstott are on a vacation to Ashland.

Mrs. Perry Neal, Mr. and Mrs. Bill White and Vicki Ste visited in Fairview on Friday last week. Mrs. White is the former Louise Crumley and daughter of Mrs. Neal. They are living in Coos Bay.

The potluck supper and dance held at the Fairview Grange hall Saturday night was attended by many people of the valley. A fine supper was served about 7:30 to 40 or 45 people. After supper dancing was enjoyed by everyone, with more couples arriving. Square dancing and visiting was enjoyed by everyone. The dinner was planned by the H.E.C. of the Grange.

Mr. and Mrs. Elmer Goodwin, Jr., of Coquille attended the supper and dance at the Grange Hall Saturday night.
