BETTER THAN PRIVATE INVESTIGATION

There's an ancient way in which a purchaser might satisfy himself of clear title to land. That is through an exhaustive review of all deeds, wills, marriages, heirships and other documents by which the property has been conveyed, mortgaged, leased or transmitted over a long period of time. The purchaser of land who protects himself with a Commonwealth Insured Title avoids this endless detail, knowing, too, that no flaw will exist in the title to cause loss.
