

At Riverton

Letter Sweaters Given Players

By Hazel A. Hudson
The eighth grade boys have received their letterman sweaters for basketball. Arago will play volleyball and basketball with our teams on Friday evening, Nov. 22nd, on our court. Mrs. Norma Allen was absent last week from her position as teacher of third and fourth grades in the Riverton school.

Russell Johnson is in the Belle Knife hospital recuperating from an appendectomy. Mrs. George Shelton and Mrs. Ell Brault had a good day shopping in Roseburg last week. Mrs. Christina Fetch passed away suddenly at the home of her daughter, Mrs. Wm. Axe, in Myrtle Point. She was formerly of Riverton and her friends will miss her.

Mr. and Mrs. Ell Brault entertained over the week-end. Among visitors were Jane Martin of Roseburg, sister of Ell, and Mr. and Mrs. Paul Hanson of California and Dora Howard and mother of Hauser.

Warren Smith and Joanne have moved to their new home in Bandon. We welcome the Bruce Thompson family on the Frank Hull place and the Kilgore family on the Nilsen ranch, with Aldo Marca.

Mr. and Mrs. Carl Freid and Bob left last Friday evening for their new home. Our sympathies go to the family of Charles Sell who passed away suddenly.

The Vernon Phillip family, returning from a visit to Nebraska, had car trouble near Burns, Ore., and Roland K. Hart made a hurried trip there to help them get home Monday night.

Jersey Herds Get Re-Classification

Jersey herds of Philip Cope and Sons, Langlois, and Sweet and Nash of Sixes, have recently been reclassified, the county agent's office reports. The work was done by H. P. Ewalt, assistant extension dairyman, Oregon State college. In the Cope herd seven animals reclassified were rated two very good, three good plus, two good individuals. Nash and Sweet cattle were classified 12 as very good, 14 good plus, and two classified good. The two herds represent the finest Jersey stock in the nation and are known by dairymen all over the country.

Roy District

Thanksgiving Time Plays Written

By Joan Gauer
Students at Roy school are writing Thanksgiving plays which will be given on the Wednesday before Thanksgiving. The last play given will tell of the first Thanksgiving Day. There will also be a Thanksgiving feast.

Charles Cook was on the Honor roll and also on the Perfect Attendance roll last term. Mr. and Mrs. Glenn Griffith, Robin, Sandra and Glenn went to Coos Bay Saturday. George Smith and family visited at Arnold Gauer's last Thursday. Smith's are former residents of the Roy district.

Mrs. Donelda Mullen, Gary and Wayne, went to Coos Bay Monday. Wayne plans to enter the Navy. Ivan Morgan and George Peterson have resigned as paper carriers for the Coos Bay Times.

Arnold Gauer has purchased a Ford from Wayne Mullen. Mrs. Roy Peterson has been ill for several days. She is able to be up now.

Larry Hubbard and Delores Peterson, who have been ill with the flu, returned to school Tuesday. The river is rising since the hard rains of the past few days. High water at Thanksgiving time will be most unwelcome.

Leota Johnson and Patsy Detiefen are both ill with flu. The Mothers' club will meet at the school house Tuesday evening. Our teacher, Mrs. Mackey, will be the hostess.

Several people from this community are planning to attend the game at Eugene this coming week-end. Posters depicting scenes from history connected with the Thanksgiving story were drawn at Roy school. Joan Gauer, Leota Johnson, Clark Griffith and Charles Clinton drew the best ones. All posters deserved honorable mention. Pupils who have reached the standard in the Rice System of Penmanship are Leota Johnson, Patsy Detiefen, Joan Gauer, Allen Mullen, Wendell Robison, Charles Cook, Jackie Grimes, Russell Hubbard and Sandra Griffith. Mr. Glenn Griffith was elected Assistant Steward at the last Grange election. Joan and Richard Gauer received their Grolier Encyclopedias. They are also getting the Book of Knowledge. Ruth Griffith and Mary Ann visited Mrs. Arnold Gauer last Friday. Dave Kline was home over the week-end from the Navy.
