FORTY THOUSAND

That's the number of good jobs now available every month in the new Regular Army. Jobs so numerous and diversified that they appeal to all types of people and utilize all sorts of talent. Jobs that may mean a turning point in your career giving it the direction and purpose that leads to success. Consult the full list at your nearest U. S. Army Recruiting Station. Then make your choice.

GOOD JOBS

Whatever trade or profession you choose, your job in the United States Army will be a good one. It will mean high pay. Statistics show that in order to equal the benefits provided by the Army—in base pay allowances, maintenance, privileges, and retirement—a civilian who is single, would have to earn \$3300 a year. It will mean maximum security both now and in retirement.

A MONTH

While 40,000 good jobs are made available each month, the choice range is constantly being narrowed as quotas in the various branches are being filled. To take full advantage of the Army's new program you must act now! If you are between the ages of 18 and 34 (17 with parents' consent) and physically and mentally fit, inquire today at
