Chin-Up Club Writes Letter Asking Aid

The Chin Up Club of Oregon, Inc., needs the help and cooperation of the different organizations, individual persons, Chamber of Commerce, Jr., Chamber of Commerce, Fraternal, Social, Unions, Newspapers, Magazines, Churches, Religious Orders, State, County, City Officials, Firemen, Policemen, Service Clubs, Women's Clubs and business persons in order to make its building fund drive a huge success all over Oregon.

A state-wide campaign like this is very expensive and the Chin Up Club has very limited funds, they will need volunteer workers to help sell tag bricks. The idea is to buy bricks to go in the Chin Up building. They will be made out of cardboard and will sell for 25c apiece. We would like to have different persons do solicitation work in sellin bricks on the streets, residences, rural districts, inside of institutions, manufacturing plants, business buildings, etc. If they want to sell on the streets in their town, they should contact their Mayor and Chamber of Commerce first, to find out if the club has a permit from them for street sales.
