ALL ARE CORDIALLY INVITED

Why you'll find all the Low Food Prices at SAFEWAY . . .

Our idea of the right price on each item we sell is the lowest price in town. Under a long-established pricing policy, our first step is to give Safeway customers the benefit of our efficient way of doing business by pricing everything at the lowest point which will yield a fair profit. But we go beyond this in that we also meet the prices of every competitor, item by item, day by day, town by town. Although we are continually checking to see that we have the lowest prices, we may miss some. Because we do not want to be undersold for even a short period of time, we ask that you do this:

If you see an item advertised in this town at a price lower than Safeway's, please bring a copy of the ad to our nearest store.

We'll gladly adjust our price on any item of like grade and quality to meet the competitive price.

We reserve the right to limit—No sales to dealers
