James Stewart is seen in what is credited as being his most dramatic
role on the screen in "Call Northside 777," the new Twentieth-Cen-
tury-Fox hit opening Sunday for three days at the Roxy Theatre.
Based on the real-life drama of Chicago in the turbulent 1930's, the
picture presents Stewart as a reporter who fights against almost
overwhelming odds to secure evidence that will set free a man con-
demned to a life term for the murder of a policeman. The film was
directed by Henry Hathaway in the realistic, on-the-spot technique
used in "Boomerang" and "House on 92nd Street."
