DO YOU SUFFER NEEDLESS PAIN FROM ARTHRITIS?

If you do, it's your fault. New formula brings relief.

There is a new scientific formula which has already brought prompt relief to many who once suffered the tortures due to rheumatism and arthritis.

This formula is called DOLCIN. It has been tested by clinics and hospitals. As a result of these tests, doctors are now recommending DOLCIN to help rheumatic and arthritic sufferers.

DOLCIN is safe and easy to take. So there is no reason for you to suffer pain that may be completely needless. For DOLCIN costs amazingly little. 100 precious tablets cost only \$2.00.
