Youth Testaments Given Out Sunday

Eighteen hundred youth testaments were dedicated Sunday at services conducted in Bangor, Bangor, Coquille and Fairview. Distribution of the testaments to Coos and Curry county school children will be commenced within the month, according to John Shilling, Bible placement secretary.

Assisting with the three Sunday services were C. C. Farr, Reginald Howard, I. S. Smith, John Shilling, Neil Kyhn, Ray Olson and Donald Farr.

WEATHER WET AND COLD FIRST PART OF THE WEEK

A heavy rain and wind storm swept up out of the southwest Sunday night and the first part of the week in the Coquille area was definitely cold and blustery. However, it didn't stop bulb growers from continuing their harvest of daffodil cut flowers for the Portland and Seattle markets albeit flowers are later this spring than in 1948.

Big Brother Wins When Sister Wins

A. T. "Doc" Meadows of Coquille Food Center struck it rich last week when his charming little sister, Patsy Meadows got "circled" in The Sentinel's popular circle shot picture and won the two free tickets to the movies.

For Patsy is an usherette at the Roxy theatre and so handed over the two passes to Doc and Mrs. Meadows.

Ninety-Second Birthday Slated

George Binder will be 92 on March 29th, and he's pretty happy about it. But the thing that is really the nicest is an "Open House" that will be put on at his home at 607 N. Carter from one to five p. m. by his children and grandchildren.

Friends and relatives are invited to attend. Helping out on the "Open House" are Mrs. Frank McCrary, Mr. and Mrs. Harold Neal and Mr. and Mrs. Tom Conklin.

Gideons Meet For Potluck Dinner

Coos county Gideons held a potluck dinner at the Reginald Howard home in North Bend Friday and saw movies in color of Gideon work done in Europe. Don Farr, John Shilling, Neil Kyhn and others attended from Coquille.

Board Explains New Church Site

The option on property located on Tenth street between Holly and Heath streets was explained by the church property placement committee of the Christian church at a special meeting of the Christian church congregation following the Sunday morning service.

Valued at \$3,000, the property was described by the committee and its possibilities as a church site were enumerated. Sunday, March 27 following the morning service the congregation will vote on the purchase of the property. The church board Sunday authorized the property committee to negotiate with interested parties for the sale of the present Christian church property and parsonage.

It's always train time at a railroad crossing.

A.A.A. Schedules Meeting In Area

A series of regional meetings throughout the state of Oregon, the first to be held in Coos Bay early in May, was authorized by the board of directors of the Oregon State Motor association at the organization's annual meeting in Portland recently.

Officers were elected, one new director was named and the board heard reports on association activities for the year 1948.

Dr. E. B. McDaniel, Portland, was re-elected president; Ralph A. Coan, Portland, was re-elected treasurer, and Ray Conway was named secretary-manager.

The board decided to hold meetings in various sections of the state during the year 1949 for the purpose of becoming better acquainted with the problems of motor vehicle owners in all sections of Oregon. The first of the regional meetings will be held in Coos Bay, home of Walter Chiene, director from that area.

Eagles To Name Officer Slate

Nominations of officers for the made at the meeting of the group tomorrow night, Friday. An election of the new list of officers will be held on the April 1st meeting, Earl Dalrymple states.

The amount of chromium in stainless steel varies from 11½ per cent to 30 per cent. It is the chromium that prevents stains.
