DUNCAN

EARLY AMERICAN SANDWICH PATTERN

This glassware has the lacy loveliness which has made Early American Sandwich patterns a favorite for almost a hundred years.

Today, with the vogue of Early American and Victorian interiors, Colonial homes and maple furniture, it is rising to new heights of popularity.

This Sandwich Pattern is made by Duncan, which has more than 73 years of glassmaking tradition. It is one of the patterns inspired by the glassmakers of old Cape Cod.

DUNCAN

TEAR-DROP PATTERN

Scores of tiny jewel-like glass tear-drops catch and reflect the light and give this pattern a scintillating brilliance.

It is an authentic design, by Duncan, glassmakers for more than 73 years.

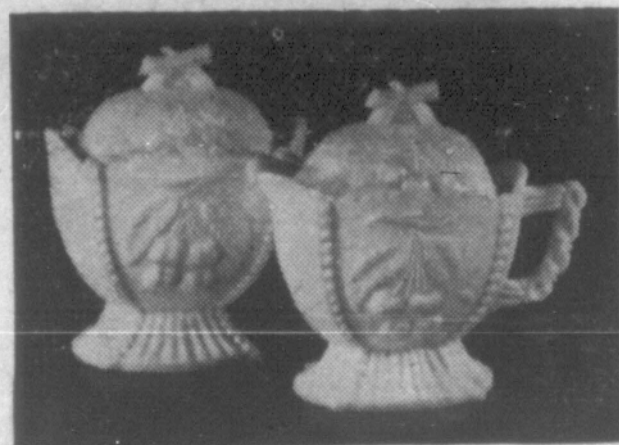

Tear-drop is ideally suited for use on Duncan Phyfe, Colonial, and all Provincial furniture; on highly-designed tablecloths and in modern settings.

Duncan Tear-drop is an open stock pattern and pieces may be reordered at any time.
