MEMO TO HOMEMAKERS

BY ELLA S. WINKELS
County Extension Agent (Home Economics)

Life is like a ladder; every step we take is either up or down—Roger Babson.

Had the last "Blouse in a Day" meeting last week. The Charleston Unit met for a special meeting due to the fact I missed it when it was scheduled. We met at Mrs. Fisher's home. Had a small attendance but homemakers seemed interested. Mrs. Fisher has a beautiful view of the bay from her window.

Summer Unit had a double meeting, Smorgasbord and Family Law. Think they need a full time lawyer by the sound of all the questions I got and was unable to answer.

Homemaker's Camp begins August 5 at noon so you homemakers better start making plans to attend. No dishwashing—no child care.

Empire Unit certainly has increased its membership, keep it up.

Now is the time to do our spring housecleaning. Have you ever tried washing walls from the bottom up? You avoid streaks this way. Water running down will not mark clean area.

Homemakers, if your job seems dull and full of monotony, always remember. House work is an art. Both are essential. The craft runs

runs your house—but the art gives it spirit. All of us are artists so let it show up.

Did you know, when cooking foods with strong odors, you can quickly dispel the disagreeable smell? Put a little cinnamon in a pie pan and set over a little heat for a few minutes. Worth a try.

Now for this week's announcements: A "Slipper Chair Workshop" will be held April 25, 26 and 27 at the Englewood Community Hall, and another "Slipper Chair Workshop" will be held at the Empire Civic building, April 28, 29 and 30. These workshops are for the purpose of training project leaders from the various units.

PICKUP BURNS ON 101

A pickup truck belonging to the George Burr Motors burned on highway 101 between Coquille and Coos Bay last Wednesday, April 13.

LAKERS GET ELECTRICITY

Electricity is now available at Croft Lake, according to Donald Farr, one of the property owners at the lake. The wiring was completed last week by the Coos-Curry Electric cooperative.

HAVE EASTER MORNING BREAKFAST

An Easter morning breakfast, held in the Junior auditorium of the Community building, was attended by seventy-five members of the Assembly of God congregation on Sunday. Entertainment was provided by the girls' sextette of the church.

At Riverton

Mrs. Irene Hartwell, Grant and children and Mr. and Mrs. Miles Hartwell and family joined Mr. and Mrs. Wayland Buoy in Coos Bay last Sunday for their fried chicken dinner and the children enjoyed their Easter egg rolling and hunt on the lawn there.

Mrs. Hartwell tells of the thrilling experience of her first plane ride, going up with Mr. and Mrs. Buoy. Last Friday was such an enjoyable day at the school, at noon with a delicious creamed chicken and biscuits, hot-cross buns and ice cream. The ice cream was donated by McGowan's at Riverton store.

Every room had its "egg hunt" out in the yard. The many small visitors were entertained in Cuma Russell's room by playing games and hunting Easter eggs. They had sandwiches, cookies and pop. Laddie Luckman, Doretta Roderick, Larry Kribs, Bobby Anglin, Marcia Cross, Donna Smith, Lynn Panter, Jeanette Bugher, Wanda and Sexton, Dianne Hartwell, Maia Thompson, Tommy Molthu, Sara Clinton, Karen Phillips, Barbara and Judy Finley, Chuck Knight and Ronnie Holbrook were those present.

Mary Anglin, Doretta Roderick and Rocky Luckman each found a prize egg.

Fairview Extension Unit Gives Dance

Fairview Extension unit dance held at the Fairview Grange hall Saturday night, April 16th, drew a large crowd from 300 to 350 people. Many folks from other towns and communities attended.

Bud Byan's orchestra blended in with the occasion as square dances and Paul Jones numbers were most popular. Most of the ladies wore their dainty gingham and Spring prints.

Supper was served at 11:30 and later in the evening the Fairview Extension quilt was presented to R. Hill of Fairview. The quilt was on display and the ladies of the Fairview unit were, indeed, proud of their work. Many stitches were made and Mrs. R. H. Stillwell who donated her time and her home

for the making of the quilt was most happy with the results.

The donations will be for the Azalea House which all Extension clubs are striving for.

Mrs. F. Pierson of North Bend donated a beautiful hand-tooled leather billfold which was given to Frances Kelso of Coquille.

HORSE FALLS ON FOOT
