Buzzing Around POWERS

By RAY M. SHAFFAR

The Powers American Legion was host to the Jr. Legion baseball team at the Lions den on Wednesday evening. A bounteous banquet was tendered by the Legion. The boys played good ball throughout the summer and they did a bang-up job on the vittles that night. Orvil Knight, manager of the team, was the MC for the occasion. During the progress of the banquet he called upon the individual boys to arise and say a few words concerning their experiences on the team and in

the various games which they played.

They were congratulated by their manager for their efforts during the season and he promised them that the Legion would back them to the limit next year.

An interesting feature of the program was a talk given by Jack Caughell, who coached the team. He offered some criticism of some phases of the playing of the team and remarked that they never had sufficient practice to really get the best out of the game.

Mr. Caughell stressed the fact that a boy did not have to be born to the purple in order to become a noted ball player; that every youth who liked to play ball and was willing to practice and train hard had just as good a chance as anyone else to reach the top, or into the higher brackets. He added that all the famous players practiced long and hard and had the will and determination to succeed in baseball and consequently they achieved their aims and a financial reward as well.

Those who attended were Jack Caughell, Jack Bushnell, Bob Bushnell, Orvil Knight of the Legion. Members of the Legion ball team who attended were George Shawyer, Ben Stickney, Donnie Hull, Duanne Brady, Ted Kellond, Lynn Post, Kenny Wooden, Raymond Wooden, Harold Clark and Joe Boutin.

It is reported that A. J. has been talking to Bill Lear about the prospects of holding up in the brush on Bill's ranch at Gaylor. Bill thought it mighty advisable.

At the regular meeting of the city council on Monday night, August 15th, a resolution was passed to protest to the PUC about a faulty telephone service in Powers. The PUC is being asked to make an investigation with the view of correcting the phone service.

At the same meeting, Jack Han-non resigned as city fire marshal and Bert Mead was appointed to fill the vacancy. All fire permits must be obtained from Bert Mead. City Recorder's Court.

Spud Aubin paid a back fine of \$35.00. Oscar Sargent was arrested for being drunk on the streets of Powers. He pleaded guilty and was fined \$25.00 and ten days in jail. Jail sentence was

suspended if he would pay the fine.

Mrs. R. K. Britton paid a fine of \$1.00 for a traffic violation.

Flash
It has just been reported that Oscar Sargent has escaped from the custody of the Powers police. It was stated that he was put to work cleaning out gutters on the streets and in some manner escaped and took out for the brush.
