"NOT WANTED"

This Is The Story Of A Girl Betrayed By Love . . . By Life . . . By You!

"One out of every twelve babies born in the United States is born out of wedlock." Of these, almost all are born to girls misunderstood . . . bewildered . . . afraid. About half of these mothers are from ten to nineteen years old, themselves the victims of broken homes and unhappy childhoods. This is the story of one of them. It is a story as bold as the screen has ever told . . . a drama as powerfully REAL and emotion-crammed as life itself. . . . It is a movie-going experience you will never forget!

'ALL-DAY BANKING MONDAY THRU SATURDAY 10 A.M. TO 5 P.M.

Providing you with the most convenient and complete banking service possible comes first with us.

We believe that our banking offices exist for your benefit . . . and that "banking hours" should be primarily those which suit your convenience, not ours.

Therefore, our new "open" hours will be from 10 a.m. to 5 p.m. every weekday, including Saturday.

These longer hours will make it easier for you to make savings and checking deposits, arrange for loans, have access to your safe deposit box, and use the many other helpful services of our bank.

Our employees will benefit by this plan, too, as it means a five-day week on a rotating schedule.
