

4-H News Notes From All Over Coos

By WALTER G. SCHROEDER
County Extension Agent, (4-H)

Any 4-H livestock clubs not yet organized or individual members not yet enrolled should do so right away. April is the last month in which club members can get dairy or beef animals to qualify for the required six months ownership by October 31, the close of the present club year.

Many of our 4-H members may be interested in the Keep Oregon Green Association fire prevention poster contest for members of the Green Guard. Most of the forestry club members belong to the Green Guard. Two divisions have been set up for this contest. They are the Junior division including those from 8 to 12 years old, and the Senior division including those from 13 up to 16 years. There will be 6 cash prizes in each division with a larger cash award and a trip to the forestry nursery near Corvallis to the two division first-place winners. The size of the poster is to be 11 by 14 and only one poster may be submitted by each Green Guard. A fire prevention theme must be used and they will be judged on originality, relation to educational phases of fire prevention, and artistic qualities. Posters may be cut-outs, poster paints, oils, pastels, or crayons.

All entries should be sent to the Keep Oregon Green Assn, PO Box 471, Salem, Oregon.

Oregon 4-H'ers really took their share of ribbons at the Grand National Junior Livestock exposition in the Cow Palace in San Francisco last week. Nineteen Oregon exhibitors entered 11 Hereford steers, 3 Angus steers, 3 Shorthorn steers, 9 market lambs, and 5 market hogs. This beautiful spring weather is a wonderful opportunity for bird

club members to get those field trips in. Don't forget to keep an accurate record of all your bird field trips.

The next report on the calves caught in the county fair calf scramble is due May 1. Report forms have been sent to all of the 4-H winners in this event at last years fair.

All leaders have samples of 4-H member and leader posters and window stickers. Has your club sent in an order for yours yet? As soon as you have selected the kind of sign you want, let us know and we will get them for you. They are free.

April is the biggest month for home vegetable gardens. The garden soil should be prepared well. Five or more wheelbarrow loads of stable manure to the square rod (272 square feet) or lesser quantities of poultry or sheep manure should be added to the soil.

The soil is ready when a handful freshly dug will fall apart readily, after being firmed in the palm of the hand. If you work it earlier than this, you will make clods which cannot be easily broken down and the plants will never grow like they should. Soil in proper condition is a pleasure to work with and will produce crops rapidly.

When you plant seeds in your garden, write what it is on a small stake and put it and another stake at each end of the row. If what you planted fails to appear, you can save much time by knowing what and where you planted.

Visitors For Easter—Mr. and Mrs. Dan Rodgers have had as their guests, their son-in-law and daughter, Mr. and Mrs. Les Cabe of Vancouver, Wn., and their son and daughter-in-law, Mr. and Mrs. Daniel Rodgers and two daughters of Kelso, Wn. Also guests at an Easter day dinner at the Rodgers home were Mr. and Mrs. Milton Rodgers of Coquille.

Grand Session Plans Made By Job's Mon.

A very distinguished guest, Mr. Ernie Perrott, worthy patron of Eastern Star, attended a meeting of Job's Daughters, Coquille Bethel, No. 15, on Monday.

Librarian, Joan Newton, escorted Mr. McCue to the east and announced that it was his birthday. The girls sang "Happy Birthday" and presented him with a boutonniere. Joan dedicated the song, "If You Were the Only Boy in the World," to him.

Plans for entertaining the mothers were discussed. Arrangements will continue at the next meeting. Honored Queen Elaine Trull announced that Job's Sunday would be observed Sunday, May 14, at the Episcopal church.

Mr. Ivyle Frye explained about the trip to Cape Blanco and the lighthouse which will take place Saturday. Job's Daughters wishing to go must meet at the Community building at 6:45 a. m. Transportation will be furnished by approximately seven school buses. There may be a small charge.

Those not wishing to attend the grand session formal ball on Thursday may go to the show at the Roxy theatre if they so desire.

It was made clear by Mr. Perrott that the transportation during Grand Session is being furnished by the Masons. Job's were asked not to abuse the privilege, using the courtesy cars only when necessary.

A dress rehearsal for drill and degree teams which will participate at grand session was announced by Mrs. Gould, guardian.

Easter Egg Hunt Given At Freeman's

An Easter egg hunt and potluck dinner was held at the home of Mr. and Mrs. A. E. Freeman on Easter Sunday with over fifty people attending. Those attending were: Jackie and Joe Norris, G. W. Howard and family, Bill Howard, Mr. and Mrs. J. F. Schroeder, Mr. and Mrs. Fred Yarbrough, Mrs. Ivan Carpenter and family, Mr. and Mrs. R. W. Zenker, Julie Beeson, Mr. and Mrs. Wallace Warner, Mrs. Norland Gant, Mr. and Mrs. Fred Yarbrough Jr., and son, Polly Workman and son, Hazel Carver and sons, Mr. and Mrs. Ray Campbell and family, Mrs. Ben Gant, Mrs. Johnnetta Caudie and family, Mrs. Ralph Hawkins and daughter and Norman Nutter.

Prizes were given for the boy and girl finding the most eggs and the least eggs. Also a prize was given to the small children for the one with the most eggs.

BUSINESS & PROFESSIONAL WOMEN TO HOLD ELECTION

Coquille Business and Professional Women's club members are urged to attend the regular meeting of the organization on Monday evening in the junior auditorium

of the Community building when the election of 1950-51 officers is scheduled.

Mrs. Leona Bryant, international relations chairman and her committee will be in charge of the arrangements.

Who shares Standard of California Profits?

No college football stadium in the country could seat all the owners of Standard of California.

With 97,000 individual stockholders, it's one of the most widely owned companies in the West . . . and more than 70% of these people are small stockholders with less than 100 shares.

Among the large stockholders, you'll find literally hundreds of companies and organizations which work for you or benefit you every day—hospitals, universities, museums, churches, insurance companies, YMCA groups, research laboratories. And, of course, thousands of our employees are also owners. Standard of California profits, therefore, are divided among a tremendous number of people.

You share, too. Just since the war we've invested more than \$500,000,000 in oil wells, refinery units, pipelines, tankers, distribution plants and marketing outlets...facilities to help us meet our responsibilities to serve the growing West.
