Miss Nancy Jo Engen, a member of this year's graduating class at Coquille high school, was chosen "Career Girl" this week by the Coquille Business and Professional Women's club. Miss Engen, who was interviewed over Radio KWRO by Mrs. O. L. Newton, courtesy chairman of the B. P. W. club, plans to enter the nursing profession.

Nancy Jo, the daughter of Mrs. Matilda Engen, received her early schooling in Wyoming. She came to Coquille at the beginning of her junior high school year. Active in Coquille school activities, she was a member of the Pep club, sang in the sextette and was on the Laurel staff. She worked on committee for the Junior-Senior banquet and the Mother's Day tea and was chosen student body secretary.

Interested in sports, Nancy Jo ice skates whenever she has the opportunity. She has learned to swim since coming to Oregon and has participated in school sport activities.

Her plans to become a nurse were made at an early age and she has taken high school courses which will help her nursing studies. Although she has not definitely decided on the phase of nursing in which she will specialize, she is very much interested in surgical nursing and in x-ray work.
