Adventist Dorcas Group Hear Reports

The Adventist Dorcas society held an all day meeting Wednesday at the home of Mrs. Gussie Johnson, with no-host luncheon at noon.

Many articles of machine work were completed, Mrs. Mary Gage having charge of this part of the work. Others worked with hand sewing.

A report was given of two boxes of clothing sent to the Monte Morelos school where three hundred boys and girls are clothed by efforts of Dorcas societies.

The next meeting will be held at the home of Mrs. Etta Robertson.

W. S. C. S. Picnic

The George Taylor cottage at Croft lake was the scene of a picnic Thursday, Aug. 3, when ladies of the Women's Society of Christian Service and the Wesleyan Service Guild of Pioneer Methodist church, enjoyed the hospitality of Mrs. Taylor at the attractive lake resort.

Swimming, boating and hikes were the order of the day. A bounteous potluck dinner was served buffet style out-of-doors at noon. The day was ideal and the youngsters, as well as the oldsters, enjoyed the outing.

Complimented With Party

Mrs. Ethel Kessler who is leaving shortly to reside in Riverside, California, was complimented Wednesday evening at a handkerchief shower given by Mrs. Donald Hutcherson.

Sweet peas were used in the attractive room decoration. Invited guests included Mrs. Kessler, Mrs. Tom Percy, Mrs. Gene Chappell, Mrs. Beth Bernheisel, Miss Doris Drinkard, Mrs. T. De La Rhue and Mrs. Theresa Thompson.

COAL OIL GAS

HOPPER STOKER
Easy-to-install stoker turns hand-fired furnaces and boilers into automatic home heating units.

VORTEX OIL BURNER
The whirling bowl-shaped flame of this new-type oil burner cuts oil bills as much as 30%.

RADIANT GAS BURNER
This modern gas burner turns your coal-fired furnace into an efficient automatic heating plant.

COAL-FLOW STOKER
Fully automatic, this model feeds coal direct from bin to furnace. No hopper to fill. No coal shoveling.

M-2 OIL BURNER
This gun-type model is built to Iron Fireman's high precision standards. Capacities from .6 to 4.5 gallons per hour.

AUTOMATIC FURNACE FOR COAL OR OIL
This unit warms, cleans, humidifies and circulates the air. Built-in coal or oil firing units are interchangeable.

AUTOMATIC BOILER FOR COAL OR OIL
Built-in coal or oil firing units are interchangeable in this automatic steam or hot water boiler.

FORCED CIRCULATION GAS FURNACE
This compact model is particularly suitable for "closet-type" or utility room installations.

FORCED CIRCULATION GAS FURNACE
In all forced circulation models, specially mounted fan gives quiet, vibration-free operation.

TRIPLE SHIFT WARM AIR FURNACE
This fuel-saving hand-fired Iron Fireman coal furnace may be converted later to automatic coal, oil or gas firing.

BE READY FOR ANY FUEL
For convertible automatic heating, pick an Iron Fireman "Coal or Oil" furnace or boiler. Both are easily convertible from one fuel to the other simply by replacing the burner unit. If, however, you are not yet ready for automatic heating, install the hand-fired "Triple-Shift" furnace. Later on, you can "go automatic" by adding the Iron Fireman burner you prefer.
