### What's This? City Would Hire Lady To Read Water Meters, Part-Time

Something new is being added to the city of Coquille with the advent of a lady into the sacred confines of the local municipal water department.

Advertised for today in The Sentinel is a "woman to read city water meters on a part-time basis. Apply C. G. Caughell, City Recorder's office."

And that marks the beginning of powder puffs along the water lines.

Seriously however, Mayor Donald Farr states that the job is a good one, easy to handle, takes care and reliability, and is a part-time occupation that should make it attractive to a local woman.

### Bahr To Seek Recorder's Job

Announcement of his intention to seek nomination for the post of city recorder was made today by Les Bahr, former office manager of the Coos-Curry Electric cooperative in Coquille.

Bahr who resigned earlier this summer to build a new house on Sanford Heights is president of the Coquille P. T. A. and has been active in school affairs.

He is a former part owner of the Ashland radio station.

### Main Street Chatter...

Brownie's Cafe (across from Tom's Texaco) has come out with a new neon sign. Really looks nice.

The Legion Club is starting something new next Wednesday. They will serve Chuckwagon Lunches from 11 till 2. And all you can eat for 85c. Not bad, but I wonder if they consider people with appetites like MINE.

The Coos Bay Highway is the scene of lots of activity. Ground has been broken for the new Coquille Food Center... and the log pond addition for Coquille Plywood is almost completed.

Went to the Coos County Fair last week-end, and really had a wonderful time. Made me feel good to see so many Coquillians there.

Bill Cook in the broadcasting booth... the Lions Hot Dog Wagon being serviced by Lions members. Lots of exhibits, lots of people, and worthy the slogan, "Bigger and better than ever before."

That's all for this week. PETER BUTLER
