

At Fairview

Mrs. Albert Pugh is having a Stanley dinner at her home this week. The pretty house that has been

getting built near Howard Leathman's is now being lived in. Mrs. Mary Gage from Coquille is the very welcome new neighbor. A Sunday school was organized last Sunday afternoon at River-

side school with a goodly attendance, and much interest was shown by all. This Sunday school is under-nominal with services from 2:30 to 3:30. Everybody is invited to attend.

A little surprise gift was given each child at the close, which all seemed to enjoy. The Lasswell family have a beautiful big new window in their living room. Mr. and Mrs. Earnest Wheat

have finished their improvements on the little house and are now another welcome addition to our valley. See "Spike" Lealle for insurance of all kinds, phone 4881

Girls Plan "Fly Up"

Girl Scouts of Brownie troop 8 made plans for a "Fly Up" to be held No. 26 when they met at the home of Mrs. Guy Mauney Monday.

Patricia Robinson was introduced as a prospective member to the organization. A joint meeting with girls of Troop 15 is planned for next Tuesday at 3:30 p. m. at the Mouney residence, reported Janice Day, troop scribe.

Harv Cox of Eugene visited last week with his cousins, Mr. and Mrs. Ralph Lanave. They enjoyed a few hunting and fishing trips during his stay.

After your evening meal, wouldn't you rather join the family than wash dishes? You can, if you have a Westinghouse Dishwasher. Even a formal dinner service for EIGHT is only one load for the amazing Westinghouse with the Super-Capacity WASHWELL. And such washing and drying . . . your dishes, glasses, pots and pans will be cleaner than you could ever get them by hand . . . and so dry they'll "squeak"! Here's another point—the WASHWELL opens from the front, yet loads from the top. The work surface over it is always unbroken and usable.

The simplified plumbing installation costs up to 50%. See the Westinghouse demonstrated and you'll quickly see how much it will do for you . . . and how well.
