

Coquille High School

Point, Brush, Hop, Ball Change, Drag

The girls' Physical Education classes have really swung into rhythm these last couple of weeks while tap dancing to the "Black-Smith Blues." They have also done

good work on their basketball as they have acquired a number of teams within their own classes and compete with each other.

The tournaments are coming along very well. In ping-pong singles Nadine Molthu and Dixie Rose are ahead. Shuffleboard is on the second round and doing very well. Foul shooting finds

Shirley Waldo ahead with 14 out of 25 tries.

Badminton singles are beginning the second round with many more to go.

Electoral College Is Debate Problem

The Coquille high school speech department is studying debate as it goes into this new year.

Students in Win Kelley's third period speech class are discussing how to obtain the best evidence against the opposing team. The debate subject for the year is "How to Elect the President of the United States", which consists of deciding whether to keep the electoral college or elect a president by direct popular vote.

At present only three students are signed up in the speech class to participate in the debate. The debate will be close to an hour in length.

Sharon Sapp New Girls League Prexy

Sharon Sapp, popular Coquille high school junior, was elected president of the school's Girls' League this week for 1954, according to Harriet Osika, advisor.

Miss Sapp will serve through this spring semester and next fall. Other league officers elected were Sandra George, vice president; Karen Slate secretary; Karen Mauney, treasurer; Shirley Hancock and JoAnne Stonecypher, program chairmen; Verna Liles, senior representative; Diane Finley, junior representative; Lola Fisk, sophomore representative; Dixie Rose and Nadine Molthu, song leaders and Joyce Anderson, honorary senior representative.

Ceremony Set For Society Initiates

President Marilyn Morton announces that the National Honor Society will hold a semi-formal initiation in the library on Wednesday, January 20.

Those to be initiated are Anna Quivey and Clarence Elliott, seniors; Evra Jensen, Ferol Sunderland and Hester Wolgast, juniors. The initiation is open to the parents of all members, both old and new.

The members of the society are chosen on a basis of character, scholarship, leadership and service. After the end of the semester, probationary members will be chosen from the sophomore class on a basis of these four qualifications.

Promise Shown By Junior Red Devils

Coquille's junior Red Devils, coached by Clyde Townsend, have run into poor luck so far this season, winning only three games. However, all scores were close and the "B" squad lost some heart-breakers by only one or two points.

Gene Simpson leads his teammates in total points scored with 66 counters for the season. He is followed by Gary Rhule with 45, Howard Waggoner with 42, Jack Liles with 41, and Darrell Mulkey with 33. Others follow down the line having seen less action.

Improvement is noticed in every game and much can be expected of the junior Devils before the current basketball season draws to a close.

Intra-Murals Tied

Coquille high school's boys' intramural league is tied in a knot this week as the juniors copped the hoop crown from the seniors by a score of 13-9. The juniors are captained by Larry Dorland and the crew went through double elimination tourney without a defeat. Gene Molthu captained the seniors.

Sextette Honored

Coquille high school's girl's sextette were honored recently when asked to sing at the Order of the Eastern Star. Observers remarked that the girls did not only sing well but the group looked lovely as they were dressed in formals to suit the occasion.

TURKEY SPECS . . . This turkey at London's national poultry show wears device, not to aid vision, but to prevent him from pecking his farm pals.

Advertising pays. Use advertising. Read it carefully. And remember: When it's advertised there's no catch. Only topgrade merchandise at fair prices ever see the public eye.

Fuel-saving tips from your

Housewarmer

Save 7% to 10% on fuel by setting your thermostat at a lower temperature at night.

Get all the oil heat you pay for by using Standard Heating Oils. They burn completely without soot, or odor. Every drop is pure heat.

Let us start our automatic delivery service today. You'll never have to worry about being caught without fuel once your Housewarmer takes over.

From where I sit... by Joe Marsh

Open Even When He's Closed

Must have been daydreaming on my way to a meeting down in Centerville the other night. My car ran dry before I thought to look at the gas gauge, but I managed to coast into a gas station—and found it closed!

Well, I thought my plans were ruined for sure until I noticed a gasoline can with a sign: "This is emergency gas. Just help yourself and leave the can with \$1.00. Thanks."

Got started, made the meeting on time, and had enough gas to

get back home again—thanks to a trusting friend.

From where I sit, folks who trust their neighbors make the world a better place to live in. For instance, letting a friend express his personal preferences, is one way of trusting your neighbor. Sometimes I prefer a temperate glass of beer in the evening but I'll always ask what you'd like before I pour yours.

Second Place Won By Faculty Member

"Wailatpu," a play based on Marcus Whitman's life in Oregon, written by Mr. Win Kelly, English and speech teacher at Coquille high, won second place in a play-writing contest sponsored by the Portland Civic Theatre.

Production rights are granted to the Civic Theatre for use of the play in addition to the second place award of \$25.00.

Mixed Chorus Has Spring Repertoire

Coquille high school's mixed chorus is busy this week learning a host of new songs for the spring performance. Working out well with the group is "Dark Water" and "Holiday Song." According to W. H. Hollensted, director, no date has been set for an outside appearance, but several visiting assemblies with schools of the area have been suggested.

Randolph Scott, Lex Barker and Southwest, "Thunder Over The Phyllis Kirk star in Warner Bros. outdoor adventure of the wild Plains," now showing at the Roxy.

CROSLEY TUMBLE ACTION WASHER with Power Jet-Flo sends thousands of jets of hot wash water through clothes to drive out dirt faster, more thoroughly. In Customatic Model, Automatic Heatkeeper makes wash water hotter, keeps it hot during washing.

CROSLEY AUTOMATIC DRYER, Electric or Gas, with Softaire Heat, doesn't fade or weaken any fabric with intense heat. Hi-Pressure Air Vent sends gentle Softaire Heat uniformly through clothes. Safety door stops all heat and motion when door is opened. Operation resumes when door is closed.
